FDLE SNIPER SCHOOL

FDLE SNIPER SCHOOL

The FDLE Sniper School is a consecutive 10 day course designed to train tactical officers in precision marksmanship skills at close, medium and long range distances, overwatch and counter-sniper operations, rural and urban fieldcraft, scouting techniques, operational planning and execution and much more. Students

will be both mentally and physically challenged throughout the course, which will culminate with the FDLE Sniper Team qualification standard.

The school is provided free of charge to law enforcement officers who are actively assigned to their agency's tactical team.

A complete equipment list, training site address and lodging recommendations will be provided upon registration.
