This is to inform you that the enclosed Intoxilyzers, (80-000912, and 80-000913) are to be taken out of service and will be utilized for training only at the Manatee Co. Sheriff's Office training facility.

I am requesting that a final Department inspection be completed, and then that the instruments be unregistered.

Once the inspections and unregistering processes are done, please send the units back to me.

Thank you,
