Good morning Mr. Murphy,

Per our phone conversation, I am emailing you to officially request that you de-register CMI Intoxilyzer 8000 S/N: 80-001233. Once it is de-registered it will be used for training purposes only.

Also, please update your contact information to reflect me as the agency inspector for the Palm Beach County Sheriff's Office Intoxilyzers.

If you have any question please feel free to contact me.

Jason.
