Subject: Union County inspection fail

Per our telephone conversation on 6-6-16, both of Union County's intoxilyzers failed inspections on 6-1-16. The serial numbers for both unit are: 80-001288 and 80-001289.

Also per our conversation, I will be driving to your location on Friday 6-10-16 between 9am and 10am for the yearly inspections and hope to sort out my operational issues with your help.

Thank you for your help!!!
