Sir

Please see communication below from Broward County Sheriff's Office. They are starting to implement a multi-year instrument replacement program in which they intend to purchase two new instruments per year to replace their oldest six instruments.

Respectfully,

Subject: De-Certification of 80-000786

David,

I would like to request that BSO instrument 80-000786 be de-certified by FDLE, as it will no longer be used for evidentiary purposes. I understand that the records/documentation of the instrument is to be held for 3 years after the instrument has been de-certified.

Respectfully,
Yvette
