Subject: 80-000836 and 80-001238

Hey guys,

Missed a zero in the dry gas lot # for 80-000836's inspection today. And there are too many zeros (and no final number) on the dry gas lot # for 80-001238.

Please correct and initial and send to me.

Thanks,

Danielle M. Bell
