Subject: June 2017 inspection from Lake Alfred PD

Hello Danielle,

This is Dan Houle from Lake Alfred PD. Just a heads up while conducting the June 2017 monthly inspection during the Mouth Alc test I did not get a Slope Not met, I got a reading, .092 I think it was. The only thing I could figure was I didn't have enough M A Solution in my mouth? I had this happen awhile back. I re-did the test & I got the required Slope Not Met. I conducted the remainder of test with no further problems. I annotated in in the remarks section what the problem was.

If you have any questions please let me know. Thank you.

Cpl. Dan Houle Lake Alfred PD
