David,

The Broward Sheriff's Office is requesting Instrument 80-001248 be de-certified, as it will be replaced with a new instrument which was purchased through CMI.

Respectfully,
Yvette

Subject: Intoxilyzer 80-001248

Hi David I have a public records request for 80-001248 (Broward County SO) records from January 2017 to present. Search of COBRAV5 indicates electronic data for this instrument was last uploaded in January 2017. Do you know the status of this instrument?

Thank you,

Barbara Lawson-Colston
