| Notes/Suggested Service: <u>I replaced the missing screw on the external printer port.</u> <u>JD</u><br>_____<br>_____<br>_____<br>_____<br>_____                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                        |                                                                                                                                                                                                                                                                                                                                                                                                            |              |           |       |        |                       |       |        |                       |       |        |                       |           |     |                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |  |  |       |  |  |  |           |     |  |  |           |               |            |            |       |  |  |  |       |  |  |  |       |  |  |  |           |     |  |  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |  |  |           |               |       |       |             |       |       |        |       |        |       |        |

# Florida Department of Law Enforcement Alcohol Testing Program

## DEPARTMENT INSPECTION REPORT - INTOXILYZER 8000

Agency: FHP TROOP D ORLANDO

Time of Inspection: 11:42

Date of Inspection: 05/02/2019

Serial Number: 80-001123

Software: 8100.27

# Calibration Certificate

Florida Department of Law Enforcement  
Alcohol Testing Program  
2729 Fort Knox Blvd.  
Bldg. 2, Suite 1300  
Tallahassee, FL 32308

This is to certify the calibration of Intoxilyzer 8000 serial number 80-001123, manufactured by CMI, Inc. was calibrated in accordance with FDLE/ATP Form 36 - Department Inspection Procedures - Intoxilyzer 8000.

|                   |                            |                                |       |
|-------------------|----------------------------|--------------------------------|-------|
| Serial Number:    | <u>80-001123</u>           | UNCERTAINTY* $\pm$             |       |
| Owning Agency:    | <u>FHP TROOP D ORLANDO</u> | 0.050 g/ 210 L                 | 0.004 |
| Calibration Date: | <u>05/02/2019</u>          | 0.080 g/ 210 L                 | 0.004 |
| Calibration Time: | <u>11:42</u>               | 0.200 g/ 210 L                 | 0.007 |
|                   |                            | 0.080 g/ 210 L Dry Gas Control | 0.005 |

All results are reported in g/ 210 L.

Bias is limited by calibration acceptance criteria. All calibration results must be within  $\pm 0.005$  or 5%, whichever is greater, of the target alcohol concentration.  
\*Uncertainty is based on fleet-wide data and is expressed to a 99.73% level of confidence ( $k=3$ ).

## TRACEABILITY INFORMATION

This instrument was calibrated using solutions prepared by Alcohol Countermeasure Systems, Inc. (ACS). ACS prepared and certified these CRMs in accordance with ISO 17034 and ISO/ IEC 17025 Standards.

Simulator temperatures are traceable to NIST. Thermometer temperatures are checked with NIST traceable Eutechnics 4400 digital thermometers calibrated by Precision Metrology in accordance with ISO/ IEC 17025 standards.

Dry gas control measurements are traceable to NIST through the uses of CRMs supplied by an accredited CRM supplier. The supplier of dry gas standard controls prepared and certified the CRMs in accordance with ISO Guide 34 and ISO/ IEC 17025 standards.

This document shall not be reproduced except in full, without written approval of the Florida Department of Law Enforcement Alcohol Testing Program.

80-001123 – Intoxilyzer 8000

Needs Department Inspection

Please return to:

Sergeant J.M. Buday

133 S. Semoran Boulevard, Suite A

Orlando, Florida 32807

Repairs Needed:

External printer cable has fastener nut missing preventing printer cable from being secured into the rear of the instrument.
