Good Afternoon Sir,

I attempted to do the monthly inspection for 80-001113, however, I received "Ambient Fail" during the Alcohol Free / Mouth Alcohol test. I moved the Intox to a different location and received the same message. I had 7 other Intoxes going thru their monthly inspection and I did not receive any error's on those. I was unable to complete the Monthly Inspection for this specific instrument.

Also, for some reason the dry gas gets depleted on this specific Intox faster than any other and it is not used very often. If you don't mind, could you make sure that the dry gas seal is not faulty? Thank you.

I am in the process of shipping it up to you by tomorrow morning. Thank you in advance.
