Thank you for that update.

Can you send me an email once the cylinder change has been performed so we have something for our records?

Israel,

I confirmed with my agency inspections when conducted the dry gas Lot# 193173 Expiration: 09/05/2022 is correct.

The Aug 5 tank was not used after its expiration and replaced with the tank. Intox 1230 will be updated with correct info from the tank.

Respectfully,

Mr. Lanny Lord
