**SUBJECT:** State Officer Certification Examination 2013 Schedule Changes

*JCP  
8/19/13*

The 2013 State Officer Certification Examination Schedule has been revised due to a conflict between the October examination date and the November deadline date. Since applicants would not receive their results from the October examination until after the deadline for two of the November examinations, we have revised the deadline date of the November examination from October 30, 2013 to November 5, 2013. This revision will allow all failing applicants of the October examination to register for the November examination.

If you have any questions, please call Operations and Management Consultant Manager Ashley Pennington at 850-410-8673.
