**FEATURING**

### **THE 36th D.A.R.E. INTERNATIONAL TRAINING CONFERENCE**

**STRONGER TOGETHER: UNITING TO MAKE OUR STUDENTS & SCHOOLS SAFER**

- **Discover** the latest D.A.R.E. curricula updates including the newly updated keep'in It REAL Middle School curriculum and workbooks; elementary & middle school pre/post-tests; and full suite of K-12 and parent/community fentanyl lessons and presentations.
- **Engage** with prevention education leaders, and school safety professionals at world class networking events and educational sessions.
- **Succeed** by implementing the information and techniques you bring back to your D.A.R.E. students and schools to improve their safety, preparedness, and decision making skills.

The 20th Annual 2024 National School Safety Conference featuring the 36th Annual D.A.R.E. International Training Conference is the largest and most comprehensive conference focused on all aspects of school and student safety.

Centered on national best practices and proven methods and programs, this year's conference brings together the most knowledgeable and internationally renowned keynote presenters into a single forum to provide the highest quality professional development possible in one conference.

In addition to our unmatched keynote presenters, you will be able to take advantage of a choice of two complimentary pre-conference sessions, as well as more than 60 breakout sessions by current professionals in the conference's THREE PRIMARY TRAINING TRACKS:

**PREVENTION EDUCATION    MENTAL HEALTH    SCHOOL SAFETY**
