Palm Beach, Broward, Miami-Dade and Monroe counties.

In 2003, he was promoted to major and assigned to the FHP Headquarters to supervise Investigations and Professional Compliance. In 2006, he rose to the rank of lieutenant colonel with supervisory responsibilities for Patrol Operations, Investigations, Contraband Interdiction, Emergency Operations, and Homeland Security.

Colonel Brierton served on the Criminal Justice Standards and Training Commission from March 2, 2011, through May 31, 2015.

### **Sheriff John H. Rutherford**

John H. Rutherford was first elected Sheriff on July 1, 2003. He was re-elected for two additional terms on March 20, 2007, and in April of 2011.

Sheriff Rutherford has lived in Jacksonville since he was 6 years old.

The Sheriff is married to his high school sweetheart, Patricia, and they have two grown children, Michael (wife Francesca) and Lee (husband Delmar), and five grandchildren.

Sheriff Rutherford is a graduate of the Florida State University and the

FBI National Academy, as well as the FBI's Executive Institute.

He is a 40-year veteran with the Jacksonville Sheriff's Office. Prior to his election, Sheriff Rutherford served for eight years under former Sheriff Nat Glover as the first ever appointed Director of Corrections.

During his law enforcement career, the Sheriff has served as a uniformed patrolman, sergeant, and lieutenant.

As a lieutenant, he worked in the Patrol and Detective Divisions and was soon assigned Director of the Region V Criminal Justice Training Center, in charge of all regional police and corrections training in Northeast Florida.

He was promoted to the rank of Captain and briefly returned to a patrol zone before being appointed to the rank of Chief by Sheriff McMillan.

Again, because of his leadership skills and ability to innovate and manage change, he was appointed to serve as Chief of Services, Chief of Traffic/Special Operations and Chief of Patrol, where he commanded over 700 uniformed officers.

Sheriff Rutherford served on the Criminal Justice Standards and Training Commission from April 7, 2009, through June 30, 2015.

The mission of the Criminal Justice Standards and Training Commission is to ensure that all citizens of Florida are served by criminal justice officers who are ethical, qualified, and well-trained.

## 32 graduate from Florida Leadership Academy

The Florida Criminal Justice Executive Institute announces the upcoming graduation of 32 first-line supervisors from the Florida Leadership Academy on August 7, 2015.

The goal of the Florida Leadership Academy is to prepare first-line supervisors in criminal justice organizations to exemplify the character and integrity expected of criminal justice professionals, while examining

the various components necessary to become efficient leaders.

The Florida Criminal Justice Executive Institute, established within the Florida Department of Law Enforcement and affiliated with the State University System, was established in 1990 by the Florida Legislature to address the need for an innovative and multi-faceted approach to the education and training of criminal justice

professionals.

The soon-to-be graduates serve in leadership roles within criminal justice agencies throughout the state.

Academy participants met for four weeks at the Pensacola Police Department.

Participants learned skills necessary to support the needs of their agencies and communities in preparation for future challenges.

## Executive Leadership Seminar to be reinstated in 2016

The Florida Criminal Justice Executive Institute Policy Board voted to reinstate the Executive Leadership Seminar (ELS), which will bridge the gap between the Senior Leadership Program and the Chief Executive Seminar. The last time ELS was offered was in 2008.

The goal of the ELS is to provide a continuing education forum for

upper management leadership of Florida criminal justice organizations that will develop and refine leadership skills for criminal justice professionals.

The seminar places focus on quality in leadership and promoting the ability to create and lead change. The seminar is delivered in three sessions, each emphasizing a different

aspect of leadership. Topics include building community relationships, creating and sustaining organizational excellence, emotional intelligence and followership, stress management, legislation and budget, and developing the persuasive leader.

This program is scheduled to begin in spring 2016. Registration information is still to be announced.

## For more information ...

The Commission for Florida Law Enforcement Accreditation, Inc. was formed in 1993 in response to Florida Statutes requiring a voluntary law enforcement accreditation program. CFA is recognized as the premier state law enforcement accreditation program in the United States.

In 2007, The CFA expanded the program to include standards and a process specifically to accredit inspectors general offices.

Established in 1998, FCAC serves as Florida’s jail accreditation program. Accreditation

standards are based primarily on the Florida Model Jail Standards (FMJS) and Florida Statutes. To make this the most comprehensive and beneficial program available, additional standards were adopted to address personnel, fiscal, and other areas not covered by FMJS.

In 2006, The FCAC expanded the program to include standards and a process specifically to accredit organizations with pretrial responsibilities. To find out more, please visit: <http://www.flaccreditation.org/index.htm>

# Linda Adams retires, was ‘invaluable asset’

Training and Research Manager Linda Adams retired from FDLE on May 8, 2015. She began her career with the State of Florida in 1988 and became a valued member of the Florida Department of Law Enforcement in 2002.

Adams had a significant role in the development of a new law enforcement basic training program that was implemented in 2004 and was named Training and Research Manager of the Curriculum Development section in 2009.

While serving as Training and Research Manager, Adams supervised the development of a new correctional basic recruit training program and officer cross-over training programs. She also oversaw the revision of numerous courses in the Advanced Training Program and Specialized Training Program.

“Through her personal dedication and commitment to service, [Linda Adams has] been an invaluable asset to the Criminal Justice Professionalism Division and the Commission,” reads a Resolution that was adopted May 7, 2015, by the Criminal Justice Standards and Training Commission.

Adams was a true leader to the team members who worked with her. Administrative Assistant II Lauren Wallenfelsz recalled one piece of advice Linda gave her about always maintaining a professional image.

“Linda told me, ‘Never leave your house without your hair and makeup done,’” Wallenfelsz said with a laugh.

Other people who worked closely with Adams echoed Wallenfelsz’s emphasis on Linda’s professionalism and warmth.

ist Sara Clausen said she “always found it cheerful and welcoming to be around her.” Clausen said Adams was “a great confidante and a great manager.”

Clausen said Adams worked hard to build relationships with her team, the Commission, and subject matter experts who help develop curriculum materials.

Clausen accompanied Adams at workshops and meetings, and even when tension rose, Clausen said Adams had a gift for calming everyone and getting things back on track.

“I learned a lot about graciousness in any social setting,” Clausen said.

Glenn Koenig, Research and Training Specialist, said Adams was more than a manager to her team. He highlighted her leadership skills and

generosity as a mentor.

Koenig smiled and said members of Adams’ team sometimes called her “Mom” because of the way she nurtured staff.

“She wanted to help her people succeed on the job and in their personal lives,” Koenig said. “She’s just an all-around good person. She’s made so many friendships that extend beyond here. People have a lot of respect for her because of her service and professionalism.”

## NEW MEMBERS OF THE TEAM

Prior to his position at FSU, Butler was an instructional design consultant. In that role, he designed, developed, and delivered courses for Florida’s Department of Labor, Department of Corrections, and Department of Education. He holds a B.A. in English and an M.S. in Educational Psychology and Learning Systems.
