SUMMER 2020

## **MANDATORY HUMAN TRAFFICKING Courses Now Available**

The 2019 legislature created s. 943.17297, Florida Statutes, which requires all law enforcement officers to complete four hours of training in identifying and investigating human trafficking. Current officers must complete the training by July 1, 2022. Newly certified officers must complete the training within one year of employment in a sworn position. The training is a one-time requirement and may count towards an officer's 40 hours of mandatory retraining.

In May 2020, the Criminal Justice Standards and Training Commission approved two specialized courses that meet the requirements. The instructor-led version of Identify and Investigate Human Trafficking (#1407) is designed for classroom delivery. The course and Instructor Guide are available through the ATMS Curriculum Materials page at <http://www.fdle.state.fl.us/atms/home.aspx>.

The online version of the course (#1408) is available at <http://www.fdle.state.fl.us/FCJEI/Online-Training/Identify-and-Investigate-Human-Trafficking-for-Law>.

After completing the training, officers will be able to identify human trafficking, know where it can occur in their community and recognize victim characteristics. The course covers both sex trafficking and labor trafficking and explains how to recognize the indicators of each. The course also provides an overview of what an officer needs to do until a more specialized unit can take over an investigation.

# Congratulations

The Florida Criminal Justice Executive Institute (FCJEI) is proud to announce the graduation of Florida Leadership Academy (FLA) Class 47 hosted at Daytona State College in Daytona Beach, Florida on June 30, 2020. Academy participants were originally scheduled to meet for four week-long sessions from January to April, but due to COVID-19, their final week of the academy was postponed and completed via distance learning. The 39 class participants serve in leadership roles representing 33 criminal justice agencies throughout the state.

FLA participants learn the skills necessary to support the needs of their agencies and communities in preparation for future challenges. The goal of FLA is to prepare first-line supervisors in criminal justice to exemplify the character and integrity expected of criminal justice professionals, while examining the various components necessary to become efficient leaders.

## Five Law Enforcement Officers to be inducted into the Hall of Fame

The 2020 inductees include Lawrence W. Crow, Jr. (Polk County Sheriff's Office), James M. Gabbard (Vero Beach Police Department), William A. Liquori (Altamonte Springs Police Department), William "Jay" Romine (Holmes Beach Police Department) and Donna Uzzell (Florida Department of Law Enforcement).

The inductees were nominated by the Florida Sheriffs Association, Florida Police Chiefs Association, Police Benevolent Association, Fraternal Order of Police and the State Law Enforcement Chiefs' Association and then were selected by a committee. Governor Ron DeSantis and the Cabinet approved their induction at the February 4, 2020, Florida Cabinet meeting.

The 2020 induction ceremony, originally scheduled for May, will be held on October 24, 2020 inside Florida's Capitol. The Hall of Fame website at <http://www.fdle.state.fl.us/CJSTC/FLEOHOF.aspx> will be kept up-to-date as the ceremony approaches, in addition to working with our partner associations to message details of the event.

The Florida Law Enforcement Officers' Hall of Fame was created by the 2014 Florida Legislature to recognize and honor law enforcement officers who put their lives on the line for the safety and protection of Florida's citizens and visitors through their works, service and exemplary accomplishments. Nominations for the next class are being accepted through August 31, 2020.

#### **Tracking the Training**

All law enforcement and auxiliary law enforcement officers certified on or prior to July 1, 2021, will be considered "current officers" and will have to complete the required training course on or prior to July 1, 2022.

All law enforcement and auxiliary law enforcement officers certified after July 1, 2021, will have one year from their date of employment to complete the required training.

Any officer who fails to complete the required training by the applicable deadline will become "inactive" and be ineligible to perform the duties of an officer until the required training is completed.

ATMS has been updated to enable an agency ATMS administrator to record the date an officer completes the required training.

A report has also been added to the Agency-Based Reports in ATMS, which helps employing agencies determine which officers have not completed the training. The report shows how many days individual officers have left to complete the training.

If you have any questions regarding these changes in ATMS, please contact the Bureau of Standards at [CJPStandardsRecords@fdle.state.fl.us](mailto:CJPStandardsRecords@fdle.state.fl.us) or (850) 410-8600.
