11B-14.003 Authorized Salary Incentive Payments.

Full-time law enforcement, correctional, and correctional probation officers satisfying the certification requirements of Section 943.13, F.S., who are not excluded from eligibility pursuant to Section 943.22(4), F.S., shall be eligible to participate in the Salary Incentive Program.

(1) Pursuant to Section 943.22(2)(a), F.S., the sum of \$25 each month for basic salary incentive payments shall be paid to a full-time law enforcement, or a concurrently certified officer who was previously eligible to receive such payments. Additionally, upon the reactivation of certification, an individual eligible as specified in this subsection shall again be entitled to basic salary incentive payments. A correctional or correctional probation officer shall not be entitled to basic salary incentive payments, regardless of their employment or certification date.

(2) Pursuant to Section 943.22(2)(b) and (c), F.S., the maximum amount of educational salary incentive payments an officer may receive shall be limited to \$80 each month for a bachelor or higher degree. Full-time officers who possess an associate degree or equivalent, or a higher degree from an accredited post-secondary institution, are eligible for educational salary incentive payments. However, state officers whose job class specifications require a four-year degree are not eligible to receive educational salary incentive payment pursuant to Section 943.22(2)(e), F.S. Pursuant to Section 943.22, F.S., the employing agency is responsible for verifying that the accrediting association is recognized.

(3) Section 943.22(1)(c), F.S., defines an associate college degree or equivalent as “graduation from an accredited community college or successful completion of 60 semester hours or 90 quarter hours and eligibility to receive an associate degree.” To qualify for educational salary incentive payment, a letter from the awarding institution shall be submitted to the employing agency, defined in Section 943.10, F.S., stating that the hours completed by the officer are equivalent to a two-year degree and would qualify the officer for a degree if the institution had a two-year degree program.

(4) Pursuant to Section 943.22(2)(d), F.S., officers shall receive the sum of \$20 each month for each successfully completed 80-hour unit of Commission-approved Advanced or Career Development Training, which has been verified by the employing agency, defined in Section 943.10, F.S., through the Commission’s ATMS. Commission staff shall recognize, only once, the successful completion of any specific training course for salary incentive payment. Officers who elect to use Commission-approved Advanced or Career Development Training Courses as credit toward a two or four year degree, for which the officer would receive educational salary incentive payment, shall not receive advanced or career development salary incentive payment for the same courses. Agencies shall review the educational transcripts submitted for educational salary incentive to ensure there is no duplication of payment.

(5) The maximum amount of salary incentive payments an officer is entitled to receive each month is based on the completion of the following Commission-approved training:

Commission-approved Training	Maximum Salary Incentive Payment
(a) Basic Recruit Training	\$25.00
(b) Career Development Training Program Courses on or before June 30, 1985 Advanced Training Program Courses on or after July 1, 1985 Federal or Private Training.	\$120 maximum

2338 **11B-27.004 Probable Cause Determination.** At the conclusion of the preliminary investigation and when the
2339 reports and documents are received as directed by Sections 943.139 and 943.1395, F.S., a determination of probable
2340 cause shall be made before the Commission initiates proceedings to take disciplinary action against the certification
2341 of an officer.

2342 (1) For the purpose of probable cause determinations, the chairperson of the Commission or designee shall
2343 appoint Probable Cause Panels of three Commission members and one alternate member, to hold Probable Cause
2344 Determination Hearings for terms specified in their appointment. The Commission Chairperson or designee shall
2345 appoint a chairperson for each panel, and the panels shall meet as necessary.

2346 (2) A Probable Cause Determination Hearing is the conclusion of the preliminary investigation, and is not a
2347 hearing pursuant to Sections 120.569 and 120.57, F.S.

2348 (3) Each Probable Cause Determination Hearing shall be noticed in the Florida Administrative Weekly
2349 pursuant to Section 120.525, F.S. The respondent shall be mailed a prior notice of the Probable Cause
2350 Determination Hearing and a subsequent notification of whether or not probable cause was determined by the panel.

2351 (4) After considering all evidence, a majority vote of the Probable Cause Panel shall determine whether or not
2352 probable cause exists to file an administrative complaint pursuant to Section 120.60(5), F.S., charging a violation of
2353 Chapter 943, F.S., or Rule Chapter 11B-27, F.A.C. If the case is presented for imposition of a penalty, the Panel is
2354 authorized to make a penalty recommendation to the Commission, or to direct Commission staff to offer a
2355 settlement agreement in the case.

2356 (5) The panel is authorized to issue a Letter of Guidance to the officer when the panel determines that it is not
2357 practical to initiate proceedings against an officer's certification. A copy of the Letter of Guidance shall be retained
2358 in the officer's file within the Criminal Justice Professionalism Program, Bureau of Standards.

2359 (6) The Probable Cause Panel is authorized to offer the respondent the opportunity to enter into an Intervention
2360 Program if there would otherwise be a finding of probable cause but the Panel finds that there are significant
2361 mitigating circumstances or that the violation is not egregious. The terms and conditions of the Probable Cause
2362 Panel's Intervention Programs may include the following:

2363 (a) Successful completion of training or retraining deemed appropriate by the panel.

2364 (b) Participation in psychological, occupational, or substance abuse counseling.

2365 (c) Furnishing blood, breath, or urine samples, and consent to the release of analysis results of such random or
2366 scheduled tests.

2367 (d) Payment of restitution for damages or loss created by the officer's misconduct.

2368 (e) Any other such rehabilitative terms and conditions.

2369 (f) As a standard condition of the Intervention Program, the respondent shall refrain from any violation of
2370 Sections 943.13(4) and (7), F.S., and subsections 11B-27.0011(2) and (4), F.A.C. For the Intervention Program to
2371 be a viable alternative in consideration of probable cause, the respondent shall agree to all terms and conditions
2372 recommended by the panel. The respondent shall be responsible for successfully completing the terms and
2373 conditions of the Intervention Program within a specified period. Once the respondent has reported the successful
2374 completion of the terms and conditions to Commission staff, the matter shall be presented to a Probable Cause
2375 Panel. The panel shall then issue a Letter of Guidance in lieu of a finding of probable cause, pursuant with
2376 subsection (5) of this rule section. Failure of the respondent to either agree to or successfully complete the terms
2377 and conditions of the Intervention Program within the specified time frame, shall result in the matter being returned
2378 to the Probable Cause Panel for a finding of probable cause and the issuance of an Administrative Complaint.

2379 (7) When Commission staff determines that the respondent has been retained by the employing agency,
2380 Commission staff shall issue a Letter of Acknowledgment of agency action in these cases, provided the employing
2381 agency shall have taken significant agency action as defined in subsections 11B-27.005(1)-(2), F.A.C.

2382 (8) Commission staff:

2383 (a) Shall not issue a Letter of Acknowledgment to a respondent who has been issued a Letter of
2384 Acknowledgment within three years prior to the date of receipt of the information described in paragraph
2385 11B-27.003(2)(b), F.A.C.

2386 (b) Shall not issue a Letter of Acknowledgment to a respondent who has been issued a Letter of Guidance
 2387 within five years prior to the date of receipt of the information described in paragraph 11B-27.003(2)(b), F.A.C.

2388 (c) Shall not issue a Letter of Acknowledgment to a respondent who has been disciplined by the Commission
 2389 within eight years prior to the date of receipt of the information described in paragraph 11B-27.003(2)(b), F.A.C.

2390 (d) Shall not issue a Letter of Acknowledgement to a respondent if the penalty guidelines of subsection
 2391 11B-27.005(5), F.A.C., specify prospective suspension to revocation as the guideline penalty for the offense.

2392 (9) In cases where the respondent has been terminated or disciplined and is seeking review of that termination
 2393 or discipline through the administrative or judicial process, the respondent and employing agency shall notify
 2394 Commission staff of such review. Pending final resolution, Commission staff shall hold such cases in abeyance.

2395 (10)(a) If administrative or judicial review results in a final disposition of the respondent's termination or
 2396 discipline, the case shall no longer be held in abeyance and Commission staff shall review the case for the issuance
 2397 of a Letter of Acknowledgment, if applicable, or for presentation to the Commission for Commission action.

2398 (b) In cases in which administrative or judicial review results in a final reversal of discipline imposed by the
 2399 employing agency relating to the alleged misconduct that is subject to review by the Commission, or criminal
 2400 proceedings that result in the respondent's acquittal on all charges subject to review by the Commission after a trial,
 2401 Commission staff shall take no further action, provided that Commission staff may present the case to a Probable
 2402 Cause Panel upon Commission staff's specific showing that the findings of fact in the collateral proceedings were
 2403 based upon inclusion or exclusion of evidence, or that the testimony was a departure from the essential requirements
 2404 of law, the findings of fact in the collateral proceedings were not supported by competent and substantial evidence,
 2405 or were clearly contrary to the evidence presented.

2406 (11)(a) In cases in which the facts presented to Commission staff are inconclusive, lack reliability, are
 2407 insufficient to permit a reasonable determination of what occurred, or fail to demonstrate that the alleged misconduct
 2408 meets the statutory criteria for Commission action, Commission staff shall "no cause" the case. Commission staff
 2409 shall reopen a case that has been "no caused" if new evidence or witnesses become available to Commission staff.
 2410 However, Commission staff shall "no cause" a violation of paragraph 11B-27.0011(4)(b) or (c), F.A.C., if the officer
 2411 is alleged to have committed the violation more than eight years prior to the case being presented at a Probable
 2412 Cause Determination Hearing.

2413 (b) Commission staff's characterization of misconduct based upon the facts as presented shall control
 2414 processing of misconduct cases under the rules of the Commission.

2415 (12) Commission staff shall submit annually to the Commission, a listing of those agencies that fail to impose
 2416 significant agency disciplinary action pursuant to subsections 11B-27.005(1)-(2), F.A.C.

2417 (13) When the Probable Cause Panel has insufficient information to determine the existence of probable cause,
 2418 but in good faith believes that Commission staff can obtain the information necessary to reach a decision, the panel
 2419 shall enter a finding of "Insufficient Information." The case shall be continued until reasonable efforts by
 2420 Commission staff have been concluded to obtain the additional information requested by the panel, at which time
 2421 the case shall be scheduled before a Probable Cause Panel for further review.

2425 **11B-27.005 Revocation or Disciplinary Actions; Disciplinary Guidelines; Range of Penalties; Aggravating**
2426 **and Mitigating Circumstances.**

2427 (1) For the purpose of implementing the provisions of Rule 11B-27.004, F.A.C., “significant agency action” is
2428 defined as follows:

2429 (a) For an offense that would be sanctioned by suspension of certification under these guidelines herein:
2430 Suspension from duty without pay for at least one day, or any change in assignment or duties that results in
2431 reduction in compensation.

2432 (b) For an offense that would be sanctioned by probation of certification under these guidelines herein: Any
2433 documented or written formal action, any change in assignment or duties that results in reduction in compensation.

2434 (2) Additionally, for an offense that requires retraining, in addition to suspension or probation, “significant
2435 agency action” shall include agency certification of in-service retraining by a qualified instructor. For an offense
2436 that requires counseling, in addition to suspension or probation, there shall be agency certification of counseling by a
2437 qualified counselor.

2438 (3) Pursuant to the provisions of Section 943.1395(8), F.S., disciplinary proceedings shall be conducted as
2439 prescribed in Chapter 120, F.S., Administrative Procedures Act, and Rule Chapter 28 F.A.C., Uniform Rules of
2440 Procedures, when there is a determination of probable cause that a certificate holder, hereinafter referred to as a
2441 “certified officer,” has failed to maintain compliance with:

2442 (a) Sections 943.13(4) or (7), F.S.; or

2443 (b) An order of the Commission previously issued during a disciplinary hearing; or

2444 (c) The Temporary Employment Authorization (TEA) requirements pursuant to Section 943.131, F.S.

2445 (4)(a) The Commission sets forth in paragraphs (5)(a)-(d) of this rule section, a range of disciplinary guidelines
2446 from which disciplinary penalties shall be imposed upon certified officers who have been found by the Commission
2447 to have violated Section 943.13(7), F.S. The purpose of the disciplinary guidelines is to give notice to certified
2448 officers of the range of penalties or prescribed penalties that shall be imposed for particular violations of Section
2449 943.13(7), F.S., absent aggravating or mitigating circumstances, as provided in subsection (6) of this rule section.
2450 The disciplinary guidelines are based upon a “single count violation” of each provision listed. All penalties at the
2451 upper range of the sanctions set forth in the guidelines (i.e., suspension or revocation), include lesser penalties (i.e.,
2452 reprimand, remedial training, or probation), that may be included in the final penalty at the Commission’s discretion.

2453 (b) In determining a penalty that may be imposed by the Commission, when a penalty guideline
2454 recommendation includes “suspension,” the Commission is authorized to consider the number of days of
2455 employment suspension imposed upon the officer by the employing agency for retroactive or parallel inclusion in
2456 the length of a certification suspension imposed by the Commission. When a penalty guideline recommendation
2457 includes “prospective suspension,” no such inclusion is authorized.

2458 (5) When the Commission finds that a certified officer has committed an act that violates Section 943.13(7),
2459 F.S., the Commission shall issue a final order imposing penalties within the ranges recommended in the following
2460 disciplinary guidelines:

2461 (a) For the perpetration by the officer of an act that would constitute any felony offense, pursuant to paragraph
2462 11B-27.0011(4)(a), F.A.C., but where there was not a violation of Section 943.13(4), F.S., the action of the

11B-27.013 Canine Team Certification.

(1) Definitions.

(a) “Canine team” shall refer to a certified officer and a specific canine working together in the performance of law enforcement or correctional duties. “Handler” refers to the certified officer who trains and controls the canine. This definition does not include canines used by certified officers exclusively for tracking and trailing or specific detection, which are excluded from the certification process.

(b) “Canine evaluator” shall refer to a person who is authorized by the Commission to administer the canine team performance evaluation to canine teams and to attest to the proficiency of the canine team pursuant with the performance evaluation. The evaluator shall determine if training submitted by an agency that is requesting certification is equivalent to the 480-hour Canine Team Training Course number 1198. The canine team evaluator applicant requesting approval of the Commission shall be required to possess the minimum training and experience pursuant to subsection (7) of this rule section, and documented in a request to Commission staff. A Commission-approved evaluator shall not verify equivalent training that he or she delivered.

(c) “Equivalent Training” shall refer to the Canine Team Training Course number 1198 not delivered at a Commission-certified training school, or any canine team training course other than the Commission-approved Canine Team Training Course number 1198. Equivalent training shall be a minimum of 480 hours and shall comply with the goals and objectives of the Canine Team Training Course number 1198. For a previously Commission-certified handler assigned a new canine, equivalent training shall refer to the 80-hour minimum training requirement.

(2) Canine team certification requirements. Commission certification of a canine team is not required. If a canine team seeks Commission certification, the canine team shall meet the following requirements:

(a) A canine team shall successfully complete the Canine Team Training Course number 1198, or equivalent training as defined in subsection (1) of this rule section, at a minimum of 480 hours before applying for certification, or

(b) A canine team that has successfully completed the Canine Team Training Course number 1112, or equivalent training, at a minimum of 400 hours prior to the retirement of that course on November 6, 2013, shall become certified by October 31, 2015. Failure to become certified by that date shall require the canine team to successfully complete Canine Team Training Course number 1198, or equivalent training, at a minimum of 480 hours.

(c) A canine team shall successfully demonstrate proficiency skills pursuant to paragraph (3)(c) of this rule section.

(d) A previously Commission-certified handler assigned a new canine shall comply with the training goals and objectives in the Canine Team Training Course number 1198, with the exception of the academic block of instruction. The canine team shall train for a minimum of 80 hours, which shall be verified by a Commission-approved evaluator as equivalent training, and successfully demonstrate the required proficiency skills.

(e) A canine team shall provide documentation of the canine team’s compliance with certification requirements and submit a Canine Team Certification Application, form CJSTC-70, revised November 5, 2015, effective 9/2016, hereby incorporated by reference <http://www.flrules.org/Gateway/reference.asp?No=Ref-07377>. Form CJSTC-70 can be obtained at the following FDLE Internet address: <http://www.fdle.state.fl.us/cms/CJSTC/Publications/Forms.aspx>, or by contacting Commission staff at (850) 410-8615.

(3) Required documentation for certification of a canine team. Documentation of compliance for Commission certification of canine teams shall include:

(a) A completed Canine Team Certification Application form CJSTC-70. Prior to submitting a form CJSTC-70, the agency employing the canine team shall collect, verify, and have on file documents establishing compliance with the requirements of this rule section, regardless of where canine training takes place.

(b) Documentation of successful completion of canine team training shall include the following:

1. Certificate of successful completion of the Canine Team Training Course number 1198 delivered at a Commission-certified training school and taught by Commission-certified Canine Instructors; or

2619 2. Successful completion of the equivalent training shall be documented on the Canine Course Equivalency
2620 Checklist form CJSTC-70A, revised November 5, 2015, effective 9/2016, hereby incorporated by reference
2621 <http://www.flrules.org/Gateway/reference.asp?No=Ref-07378>. Form CJSTC-70A can be obtained at the following
2622 FDLE Internet address: <http://www.fdle.state.fl.us/cms/CJSTC/Publications/Forms.aspx>, or by contacting
2623 Commission staff at (850) 410-8615.

2624 a. Canine Team Training Course number 1198 not delivered at a Commission-certified training school shall
2625 be deemed as equivalent training by a Commission-approved evaluator.

2626 b. Any canine team training course other than the Commission-approved Canine Team Training Course
2627 number 1198 shall be deemed equivalent training by a Commission-approved evaluator if the course is a minimum
2628 of 480 hours and complies with the objectives of the Canine Team Training Course number 1198.

2629 3. The employing agency submitting form CJSTC-70 shall provide documentation of training to the
2630 Commission-approved evaluator. The evaluator shall review and document of the training on form CJSTC-70A.

2631 (c) A completed Canine Team Performance Evaluation form CJSTC-83, revised November 6, 2014, effective
2632 7/2015, hereby incorporated by reference <http://www.flrules.org/Gateway/reference.asp?No=Ref-05655>, shall be
2633 verified by evaluator(s) to ensure the canine team completed the proficiency requirements. Form CJSTC-83 can be
2634 obtained at the following FDLE Internet address: <http://www.fdle.state.fl.us/cms/CJSTC/Publications/Forms.aspx>,
2635 or by contacting Commission staff at (850) 410-8615.

2636 1. Successful completion of the canine team performance evaluation shall be administered by two
2637 Commission-approved canine team evaluators and documented on form CJSTC-83. A Commission-approved
2638 canine team evaluator conducting the initial training of a canine team shall not participate in the initial certification
2639 of that team. One of the Commission-approved canine team evaluators shall not be affiliated with the employing
2640 agency of the canine team being examined for certification. A Commission-approved canine team evaluator shall
2641 not administer a performance evaluation to a canine that is assigned as the evaluator's work partner.

2642 2. The canine team proficiency topics are permitted to be administered in random order by the evaluator or
2643 concurrently by the evaluator.

2644 3. During the initial evaluation the canine team shall test in all topics of the performance evaluation. If a
2645 canine team fails to successfully demonstrate proficiency on one specific topic during the initial evaluation, one
2646 re-evaluation is permitted to be given for the specific topic during the initial evaluation. The handler shall be
2647 allowed to remediate with the canine prior to declaring intent to repeat the specific topic. If a canine team fails to
2648 complete the specific topic or any additional topics, the canine team shall be deemed to have failed the performance
2649 evaluation. Remediation is defined as the handler working with the canine to resolve the topic of deficiency
2650 specified in form CJSTC-83 in the "Re-examination and Remediation Process" section.

2651 4. If a canine team fails to successfully demonstrate proficiency for any topic(s) during the first performance
2652 evaluation, the handler shall remediate the canine team in the topic(s). The canine team shall retest after a minimum
2653 of 24 hours from the date of the first failure and successfully demonstrate proficiency in the specific failed topic(s)
2654 under the supervision of two Commission-approved evaluators. One evaluator shall be an original evaluator
2655 involved in the initial proficiency failure. The handler shall provide documentation, to include lesson plans and
2656 signed attendance rosters, of the remedial training to the Commission-approved evaluators prior to the
2657 administration of the re-evaluation.

2658 5. If a canine team fails to successfully demonstrate proficiency in the specific failed topic(s) during the
2659 second attempt, the handler shall remediate with the same canine in the specific failed topic outlined in the Canine
2660 Team Training Course number 1198. The canine team shall retest after a minimum of 30 days from the date of the
2661 second failure. The canine team shall repeat the performance evaluation in its entirety under the supervision of two
2662 Commission-approved evaluators. One evaluator shall be an evaluator who was involved in the initial proficiency
2663 failure for that canine team. The handler shall provide documentation, to include lesson plans and signed attendance
2664 rosters, of the remedial training to the Commission-approved evaluators prior to the administration of the re-
2665 evaluation.

2666

2667 6. A canine team that has failed a third attempt to pass a Canine Team Performance Evaluation shall be
 2668 deemed to have failed the certification process, and shall complete the Canine Team Training Course number 1198
 2669 or equivalent training prior to submitting an application for certification. Form CJSTC-83 shall be used to document
 2670 the third failure of the canine team and submitted by one of the canine team evaluators to the Florida Department of
 2671 Law Enforcement, Criminal Justice Professionalism, Post Office Box 1489, Tallahassee, Florida 32302.

2672 7. Documentation of the training shall be made available to the Commission-approved evaluators prior to the
 2673 administration of a subsequent canine team performance evaluation.

2674 (4) Renewal of Certification.

2675 (a) A Canine Team Certification shall lapse if it is not renewed on or before October 31 of the year following
 2676 the initial certification.

2677 (b) If the canine team handler applying for recertification has not changed canines or the canine team
 2678 certification has not expired, the employing agency requesting renewal of the certification shall complete the
 2679 applicable sections and submit form CJSTC-70 marked "Renewal," and document the canine team proficiency on
 2680 form CJSTC-83, in compliance with the requirements of subsection (3) of this rule section.

2681 (c) If the canine team certification has expired, the employing agency requesting renewal of the certification
 2682 shall complete the applicable sections and submit form CJSTC-70 marked "Renewal," and document the canine
 2683 team proficiency on form CJSTC-83, in compliance with the requirements of subsection (3) of this rule section.

2684 (5) Change of assigned canine team. If a Commission-certified canine handler or canine ceases to be assigned
 2685 as part of a canine team by the employing agency, the certification shall lapse.

2686 (a) Notification of changes in a canine team assignment shall be submitted to Commission staff in writing to
 2687 the Florida Department of Law Enforcement, Criminal Justice Professionalism Program, Post Office Box 1489,
 2688 Tallahassee, Florida 32302, provided the handler is not assigned a new canine.

2689 (b) A Commission-certified canine handler who has been assigned a new canine, shall submit form CJSTC-70,
 2690 marked "New" and "Canine Team Change" after complying with the requirements of this rule section.

2691 (6) Inspection of canine team applicant files.

2692 (a) Upon determination of an unfavorable inspection by Commission staff, the deficiencies shall be
 2693 documented on a Canine Team Certification Deficiency Notification form CJSTC-270, revised November 6, 2014,
 2694 effective 7/2015, hereby incorporated by reference <https://www.flrules.org/Gateway/reference.asp?No=Ref-05660>.
 2695 Form CJSTC-270 can be obtained at the following FDLE Internet address:
 2696 <http://www.fdle.state.fl.us/cms/CJSTC/Publications/Forms.aspx>, or by contacting Commission staff at (850) 410-
 2697 8615.

2698 (b) The employing agency shall satisfy the deficiency(ies) by submitting the required documentation to
 2699 Commission staff within 90 days of the receipt of the Canine Team Certification Deficiency Notification form
 2700 CJSTC-270. The Commission has the authority to deny the employing agency's request for canine team
 2701 certification for failure to meet the 90-day requirement. Upon denial of the application, the employing agency may
 2702 reapply for canine team certification.

2703 (7) Canine Team Evaluators.

2704 (a) Prior to being approved by the Commission as a canine team evaluator, the evaluator applicant shall provide
 2705 documentation verifying the evaluator applicant has complied with the following requirements:

2706 1. Documentation of one year of experience as a Commission-certified canine team instructor.

2707 2. Documentation on form CJSTC-70 that the evaluator applicant has taught the Canine Team Training
 2708 Course number 1198; or the Canine Team Training Course number 1112 (retired 11/6/2013); or equivalent training

 2710 process. Canine teams trained exclusively for tracking and trailing or specific detection shall not be included in this
 2711 total.

2712 3. Verification that the evaluator applicant has evaluated a minimum of twelve canine teams under the
 2713 supervision of Commission-approved evaluators, which shall be documented on form CJSTC-83. Canine teams
 2714 trained exclusively for tracking and trailing or specific detection shall not be included in this total.

2715 4. A letter of recommendation for the evaluator applicant from a training center director, agency
 2716 administrator, or designee.

2717 5. Request for evaluator status. A letter from the evaluator applicant requesting approval from the
 2718 Commission as a “canine team evaluator” shall be forwarded to the Florida Department of Law Enforcement,
 2719 Criminal Justice Professionalism Program, P.O. Box 1489, Tallahassee, Florida 32302, Attention Bureau Chief of
 2720 the Bureau of Standards, for the initial request for approval as a canine team evaluator. The letter shall include the
 2721 evaluator’s full name, the last four digits of the evaluator’s social security number, complete address, and
 2722 documentation of compliance with the standards set forth in this rule section.

2723 (b) Approval of canine team evaluator status. Upon a review of the documents and determination that the
 2724 evaluator applicant has complied with the requirements set forth in this rule section, a letter acknowledging approval
 2725 by the Commission shall be forwarded to the evaluator applicant.

2726 (c) Maintenance of canine team evaluator status. Commission-approved evaluators shall be required to
 2727 submit a request for continuance as an evaluator, to the address in paragraph (7)(a) of this rule section within four
 2728 years of the date of approval, with documentation that verifies the evaluator has completed a minimum of four
 2729 canine team performance evaluations within the four-year period. The verifying documentation shall be copies of
 2730 form CJSTC-70 attesting that the performance evaluation was administered by the evaluator. A canine team

11B-27.014 Implementation of the Federal Law Enforcement Officers Safety Act of 2004.

(1) Requirements to demonstrate the firearms proficiency requirements under the federal Law Enforcement Officers Safety Act of 2004 (18 U.S.C.A. § 926C) in Florida.

(a) To carry a concealed firearm under the Federal Law Enforcement Officers Safety Act of 2004 (“Act”), a qualified retired law enforcement (“retiree”), as defined in 18 U.S.C.A. § 926C, shall show that he or she has demonstrated the firearms proficiency required by the Act within the past twelve months of the time he or she possesses a concealed firearm.

(b) The Act provides the following two methods for a retiree to demonstrate firearms proficiency:

1. One method allows the retiree to return to the agency from which he or she retired to meet the agency’s firearms proficiency standards as applied to the agency’s active officers. Under the Act, an agency has the option to offer this alternative.

2. The second method allows the retiree to meet the minimum firearms standards applied to active law enforcement officers by the state of the retiree’s residence.

(c) For retirees who reside in Florida, the option to meet the state’s minimum firearms standards shall be demonstrated using the Commission’s approved minimum firearms proficiency course of fire (“course of fire”), conducted in a manner specified in paragraph (2)(c) of this rule section, pursuant to the Law Enforcement Officer Firearms Qualification Standard on form CJSTC-86A incorporated by reference in subsection 11B-27.00212(14), F.A.C.

(2) Requirements for administering the course of fire are as follows:

(a) The range master conducting the course of fire shall be an active Commission-certified firearms instructor pursuant to paragraphs 11B-20.0014(2)(c) or (d), F.A.C.

(b) The range master shall issue a Commission-approved Firearms Proficiency Verification Card, form CJSTC-600, created on July 9, 2007, hereby incorporated by reference, to each retiree who successfully completes the course of fire as required on form CJSTC-86A.

(c) The range master shall maintain the following documentation that is related to the completion of the course of fire for each retiree who successfully completes the course, and the retained documentation shall be subject to audit during regular business hours upon a two-day written notice by Commission staff:

1. Full name of the retiree completing the course of fire.

2. Address of the retiree completing the course of fire.

3. The Course of Fire Proficiency Score. A passing score is a minimum score of 80%, which is 32 of 40 rounds in the scoring area using a commercially produced B-21E target or equivalent Pride Enterprises (P.R.I.D.E.) target. The scoring shall be any hit that is inside or touches the exterior scoring line of the four and five zone of the B-21E target.

4. Date the course of fire was completed.

5. Location where the course of fire was conducted.

6. The specific number imprinted on the CJSTC-600 form issued to the retiree who completed the course of fire.

7. Type(s) of firearm(s).

(3) Firing Range Requirements.

(a) The course of fire shall be conducted on any public or private range that meets the shooting distance requirements on form CJSTC-86A.

(b) The owner of a firing range is not required to administer the course of fire on the owner’s firing range.

(c) The retiree shall be responsible for any fee associated with the course of fire.

2783 (4) Issuance and Maintenance of form CJSTC-600.

2784 (a) A request for form CJSTC-600 shall be made in writing to the Florida Department of Law Enforcement,
 2785 Criminal Justice Professionalism Program, Post Office Box 1489, Tallahassee, Florida 32302, Attention: Officer
 2786 Records Section.

2787 1. A Commission-certified firearms instructor is allowed to receive up to 50 each of the CJSTC-600 form
 2788 with each written request, and the request shall include the firearm instructor's full name, mailing address and
 2789 physical address if different from the mailing address, telephone number, and the name of the Commission-certified
 2790 training school, defined as "training school" in subsection 11B-18.003(23), F.A.C., affiliation or criminal justice
 2791 agency affiliation.

2792 2. A training school is allowed to receive up to 200 each of the CJSTC-600 form with each written request,
 2793 and the request shall be made on the training school's letterhead signed by the training center director or designee.

2794 3. If a retiree loses form CJSTC-600, a replacement card shall not be reissued. The retiree shall be required to
 2795 complete the course of fire, again, and be issued a new CJSTC-600 form.

2796 (b) A Commission-certified firearms instructor shall only issue a CJSTC-600 form for successful completion
 2797 of the course of fire. Each CJSTC-600 form shall be issued with a specific number imprinted on the form and the

 2799 issued, which shall be subject to audit by Commission staff during regular business hours upon a two-day written
 2800 notice by Commission staff.

2801 (c) The CJSTC-600 form shall expire one year from the date the retiree completed the course of fire.

2802 (5) Admission to a range to attempt to complete the course of fire shall be under the terms and conditions of
 2803 the range master, and solely at the range master's discretion. Neither state law nor the Act provide a retiree with a
 2804 right to demand access to a range or an opportunity to attempt the course of fire.

2805 (6) It is not the responsibility of the Commission, any Commission certified firearms instructor, a training
 2806 school, or any other entity operating a firearms range, at the time of the firearms qualification, to verify or certify
 2807 that a retiree meets any of the additional requirements of a "qualified retired law enforcement officer" under the Act.
 2808 Meeting the Act's qualifications is solely the responsibility of the retiree. The range master is not required to
 2809 otherwise verify a retiree's status under the Act at the time of the firearms qualification.
