Rule 11B-21.005, F.A.C., requires that a Commission-certified training school conducting CJSTC first aid training have the following equipment available:

1. \_\_\_\_\_ The training materials shall include the following:

- |  |  |
|--|--|
| <input type="checkbox"/> Adhesive tape<br><input type="checkbox"/> Adult resuscitation manikin<br><input type="checkbox"/> Body Substance Isolation (BSI) kit that includes gloves, eye protection, facemask or shield, gown or coverall with sleeves, shoe covers, and biohazard bag<br><input type="checkbox"/> Bullet-proof/tactical vest (optional)<br><input type="checkbox"/> CPR mask with one-way valve (one for each student)<br><input type="checkbox"/> Disposable protective gloves in varying sizes<br><input type="checkbox"/> Gauze pads (4" x 4")<br><input type="checkbox"/> Imitation or simulated blood | <input type="checkbox"/> Improvised chest seal material (commercial chest seal preferred)<br><input type="checkbox"/> Infant resuscitation manikin<br><input type="checkbox"/> Material for improvised chest seal<br><input type="checkbox"/> Non-disposable blanket<br><input type="checkbox"/> Pressure bandage/dressing<br><input type="checkbox"/> Roll-type bandages (2" or 3")<br><input type="checkbox"/> Tourniquet (commercial)<br><input type="checkbox"/> Vehicle (optional for CO)<br><input type="checkbox"/> Wound packing, rolled, Z-folded, or hemostatic gauze<br><input type="checkbox"/> Writing instrument (ex. pen, marker) |
|--|--|

2. \_\_\_\_\_ For every two students actively and physically engaged in first aid practical exercises and testing, the training school shall provide 64 square feet of unobstructed floor space. For each additional student actively and physically engaged, add an additional 32 square feet. Do not include victims when calculating the total square footage requirements.

3. \_\_\_\_\_ Equip areas used for first aid practical exercises with a first aid kit. The first aid kit shall be at the facility when basic recruit students are actively engaged in practical exercises or when CJSTC training is in session, and shall be immediately accessible to instructors and basic recruit students.

**The first aid kit shall include at a minimum the following supplies:**

- |  |                                    |  |
|--|------------------------------------|--|
| Cold packs/plastic bags and ice (3-5)  | One gauze bandage roll, any size   | Two occlusive dressings                    |
| Flashlight                             | One pair of trauma shears          | Two pressure bandages/dressings            |
| One biohazard bag                      | One roll of adhesive tape          | Two tourniquets (commercial)               |
| One box of adhesive bandages, 1" or 2" | Protective gloves of varying sizes | Two triangular bandages                    |
| One CPR mask with one-way valve        | Sterile eyewash                    | Wound packing, rolled, or hemostatic gauze |
| One emergency blanket                  | Two 4" bandage compresses          | Writing instrument (e.g., pen, marker)     |
| One eye-dressing kit                   | Two chest seals                    |  |
