SUBJECT: Commission-approved Advanced Training Program
Course #1405, Advanced Defensive Tactics

On October 31, 2019, the Criminal Justice Standards and Training Commission (CJSTC) approved a new course, Advanced Defensive Tactics, #1405. This 40-hour course is part of the Advanced Training Program. It expands on the techniques that are taught in the basic recruit curriculum by providing more advanced-level techniques officers can use when restraining or arresting a person. The course also uses both provided real-world scenarios and instructor-developed scenarios to further develop an officer's ability to assess threats and apply appropriate defensive tactics techniques.

Instructors may access the course through the Automated Training Management System (ATMS). If you have any questions, please contact Training and Research Manager Judd Butler in the Bureau of Training at JuddButler@fdle.state.fl.us or (850) 410-8654.
