**SUBJECT:** Firearms Instructional Videos

---

CJSTC staff worked with subject matter experts to film 25 instructional videos designed to help firearms instructors teach the various shooting fundamentals, active shooter drills, proficiency evaluations, and qualifications. The videos cover all mandatory and some suggested activities from the 2023 basic recruit training (BRT) high liability instructor guide.

#### **Firearms Videos**

Effective immediately, firearms instructors will refer to the videos when teaching the Firearms Instructor course, #803 (version 2023.07) and the Firearms for Criminal Justice Officers course (version 2023.07). Current firearms instructors will also need to refer to the videos when teaching the Firearms Instructor Update course, #1201.
