**DATE:** November 17, 2023

**TO:** Criminal Justice Agency Administrators  
Criminal Justice Training Center Directors  
Criminal Justice Selection Center Directors

**FROM:** Director Chad Brown   
Criminal Justice Professionalism Division

**SUBJECT:** Retirement of Specialized Instructor Course, #2006, Canine Team Training  
Instructor Update Course

---

On November 2, 2023, the Criminal Justice Standards and Training Commission (CJSTC) approved the retirement of the Specialized Instructor Course, #2006, Canine Team Training Instructor Update Course.

Commission staff initially developed the 24-hour Canine Team Training Instructor Update Course to provide current certified canine instructors with new or revised information related to performance standards contained in both the Canine Team Training Course and the Canine Team Training Instructor Course. Since a recent ATMS report confirmed that no school has used the course since it was developed nine years ago and canine team training instructors are not required to take it, the CJSTC agreed that the course was no longer necessary to maintain.

If you have questions regarding the retirement of this course, please contact Training and Research Manager Rob Bates in the Bureau of Training at [RobertBates@fdle.state.fl.us](mailto:RobertBates@fdle.state.fl.us) or at (850) 410-8672.
