Palm Beach State College
Stage West
4200 Congress Avenue
Lake Worth, Florida 33461**

347 So. 2d 1102 (Fla. 1st DCA 1997)

“Moral character as used in this statute, means not only the ability to distinguish between right and wrong, but the character to observe the difference; the observance of the rules of right conduct, and conduct which indicates and establishes the qualities generally acceptable to the populace for positions of trust and confidence.”

364 So. 2d 454 (Fla. 1978) – Florida Supreme Court

“In our view a finding of a lack of ‘good moral character’ should not be restricted to those acts that reflect moral turpitude. A more appropriate definition of the phrase requires an inclusion of acts and conduct which would cause a reasonable man to have substantial doubts about an individual’s honesty, fairness, and respect for the rights of others and for the laws of the state and nation.”
