Ms. Velazquez,

This message is in regards to scheduling the shipment of the Miami-Dade Police Department instruments to the Alcohol Testing Program for Department Inspection. We would like to have you ship at least one instrument at a time to 2331 Phillips Road, Tallahassee, FL 32308. Once you receive each instrument back, you would send the next one in line and so on and so forth, until all the instruments for your agency have had their 2011 Department Inspections. If at all possible, we would like to receive the first instrument no later than 2 weeks from today. The agency will be responsible for the cost to ship the instrument to us and FDLE will pay for the return shipping. If there are any inconveniences or you will not be able to adhere to this schedule for any reason please let me know. Thank you so much for your attention in this matter.
