### II. CARDIOPULMONARY RESUSCITATION:

The required topics shall include Foreign Body Airway Obstruction, Rescue Breathing, and CPR on an adult, child, and infant, and shall include AED training. A student is required to successfully complete CPR/AED training to pass the course.

**DESIGNATED CPR ASSOCIATED STANDARDS.** The standards for performance for CPR are determined by the lead CPR instructor’s affiliated certifying association guidelines from an entity referenced in Rule 64J-1.022, F.A.C. The CPR instructors’ affiliated association shall set the CPR performance criteria and cognitive CPR examination. A basic recruit student who does not meet the designated association CPR standards shall not be permitted to take the end-of-course examination for the CMS First Aid for Criminal Justice Officer Course. An instructor student who fails any skill shall have failed the course. Each association may use a specific performance evaluation form. Documentation from the CPR evaluation will transfer to this form as proof of passing the demonstration and include the form in the course file.
