

## → NOTICE ←

Please note that the information provided within this document includes a list of **Livescan Device Vendors** and **Service Providers** who have voluntarily chosen to have their device (equipment) and electronic fingerprint data submissions evaluated by the Florida Department of Law Enforcement (FDLE) to verify compliance with both FDLE and Federal Bureau of Investigation regulations and standards.

Inclusion in this list is NOT an endorsement or recommendation of one product or business over another and DOES NOT imply any rating, ranking, or 'certification' of the products or businesses themselves. This list is offered for information purposes only, to indicate that technical specifications for electronic submission of fingerprints to FDLE have been satisfied. The listing of these particular products or businesses should not be interpreted to mean that they have been approved by FDLE to the exclusion of any other products or businesses.

--- See Below ---

## CIVIL WORKFLOW CONTROL SYSTEM

- Automated Processing Of Criminal History Requests
- Using Fingerprint Based Livescan Technology
- Average Response Time – 3 Business Days

### LIST OF APPLICANT LIVESCAN VENDORS AND SERVICE PROVIDERS WHO HAVE ESTABLISHED SUBMISSION APPROVAL FROM FDLE

Applicant type fingerprint cards may be submitted electronically to the Florida Department of Law Enforcement, *for the purpose of conducting a criminal history check*, **IF** the licensing or employing agency has agreed and made prior arrangements to receive electronic results from FDLE.

- If the licensing or employing agency has established a system to receive the electronic results, the applicant will be given instructions (*from the agency*) as to where to go and how to have the fingerprints taken and submitted from a livescan device.
- If an applicant wishes to submit fingerprints electronically but the agency did not give instructions, please contact that agency and request that the agency contact FDLE and make arrangements to receive electronic results. Individual applicants cannot be accommodated without the agency involvement.

**Licensing or employing agencies MAY PURCHASE LIVESCAN DEVICES or MAY CONTACT SERVICE PROVIDERS to enable their applicants to electronically submit criminal history requests on their behalf.**

- Listed below are those providers and vendors who have been qualified to submit electronically to FDLE.
- Livescan vendors and service providers not listed here may request approval of their product or service by contacting FDLE at (850) 410-8161.

**Information about verifying the identity of an individual and rolling quality fingerprints is available.**

- The national Compact Council provides instruction on verifying a person's identity which is crucial to the value of conducting a criminal history check at: <https://www.fbi.gov/file-repository/identity-verification-program-guide-single-page.pdf/view>
- The FBI's website has information on taking legible fingerprints which may be useful in training persons who will be rolling prints for submission on inked fingerprint cards or through livescan systems at: <https://www.fbi.gov/services/cjis/fingerprints-and-other-biometrics/recording-legible-fingerprints>
