## Program Description

The State of Florida, Department of Law Enforcement (FDLE) has received an award from the United States Department of Justice (USDOJ) in the amount of \$31,797,466 for the Coronavirus Emergency Supplemental Funding (CESF) grant.

This Notice of Funding Opportunity seeks subrecipient applications for activities as they relate to prevention of, preparation for, and response to the coronavirus.

## Uses of Funding

Allowable projects and purchases include, but are not limited to, overtime, equipment (including law enforcement and medical personal protective equipment), hiring, supplies (such as gloves, masks, sanitizer), training, travel expenses (particularly related to the distribution of resources to the most impacted areas), and addressing the medical needs of inmates in state, local, and tribal prisons, jails, and detention centers.

Applicants are strongly encouraged to plan for strategic use of this funding and carefully consider what might be required over the entire grant period, particularly if a resurgence of the virus is encountered.

Part 2000d, applicants in receipt of federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with LEP. FDLE strongly advises applicants to have a written LEP Language Access Plan. For more information visit <https://www.lep.gov/>.
- **Equal Treatment for Faith Based Organizations:** Applicants, must comply with all applicable requirements of [28 C.F.R. Part 38](#), "Equal Treatment for Faith Based Organizations", specifically including the provision for written notice to current or prospective program beneficiaries.
- **Americans with Disabilities Act:** Applicants must comply with the requirements of the Americans with Disabilities Act (ADA), Public Law 101-336, which prohibits discrimination on the basis of disability including provision to provide reasonable accommodations.

**Filing a Complaint** - If the applicant or any of its employees, contractors, vendors, or program beneficiaries has a discrimination complaint, they may file a complaint with the applicant, with FDLE, or with the Office for Civil Rights.

Any discrimination complaints filed with FDLE will be reviewed by FDLE's Inspector General and referred to the Office for Civil Rights, the Florida Commission on Human Relations, or the Equal Employment Opportunity Commission, based on the nature of the complaint.

Discrimination complaints may also be submitted to the Office for Civil Rights, Office of Justice Programs, U.S. Department of Justice, 810 7<sup>th</sup> Street, Northwest, Washington, D.C. 20531, or by phone at (202) 307-0690.

**Intergovernmental Review:** The FY2020 CESF program is subject to Executive Order 12372. As a result, FDLE may provide information regarding subrecipient applications to the state single point of contact to satisfy this requirement.

## Match

Match is not required for the CESF program. However, if a subrecipient identifies match on an application that is approved for award, the match portion will be required.

## Administrative Costs

Administrative costs/fees are not eligible on CESF subawards.

## Prohibited Uses & Expenditures

CESF may not be used to supplant state or local funds. Funds must only be used to increase the amount of funds that would, in the absence of federal funds, be made available for the given activities.

## Costs Requiring Pre-Approval

The following cost elements require prior approval from FDLE and BJA:

### **Individual items costing \$500,000 or more**

If a subrecipient requests purchase of an individual item costing \$500,000 or more, the item(s) should be identified and thoroughly justified by the applicant and written prior approval from BJA must be obtained. Costs must be reasonable to receive approval.

### **Unmanned Aerial Systems (UAS), Unmanned Aircraft (UA), and/or Unmanned Aerial Vehicles (UAV)**

If a subrecipient requests to purchase an UAS, UA, and/or UAV, Federal Aviation Administration approval must be obtained as outlined here:

[https://www.faa.gov/news/fact\\_sheets/news\\_story.cfm?newsId=22615](https://www.faa.gov/news/fact_sheets/news_story.cfm?newsId=22615). Documentation related to these purchases should be included with the application and the applicant must receive written prior approval from BJA.

### **NEPA**

Any improvement, building or construction project will require pre-approval to ensure compliance with the National Environmental Policy Act (NEPA). This may include relatively minor activities such as installing fence posts, security or surveillance cameras, or anchoring any item to the ground. If the grant will fund any activities that may fall under this requirement, review the subaward standard condition related to NEPA and the section of the BJA web site related to [NEPA compliance](#) and contact FDLE's grant's office for assistance.

### **Sole Source**

If a subrecipient requests a non-competitive procurement of goods or services, a [sole source justification form](#) must be submitted to FDLE for approval prior to the obligation of grant funds. For a sole source procurement over the federal Standard Acquisition Threshold (SAT) of \$250,000, written pre-approval must be obtained from both FDLE and DOJ. **Please note:** submission of a "Sole Source Justification" form does NOT guarantee approval for the sole source procurement.

Sole source approval applies to the amount of the total procurement, regardless of the amount of federal investment in the purchase.

Before submitting a request for a sole source procurement, applicants should carefully review the conditions governing this type of procurement (see [2 C.F.R. § 200.320\(f\)](#)).

## Additional Requirements

Subrecipients will be required to complete the following documents at the time of application; failure to do so may result in the withholding of funds until items are received.

### **Subaward Management Capabilities and Compliance Questionnaire**

All applicants are required to complete the [Subaward Management Questionnaire](#), and submit to OCJG with their application. FDLE will use this form to validate a subrecipient's eligibility to apply, receive, and maintain a federal CESF subaward. Additionally, this validation will allow FDLE to expedite the monitoring process and ensure all subrecipients are in compliance with program requirements.

### **Lobbying, Debarment and Drug Free Workplace Certification**

Subrecipients are not permitted to use federal funds, directly or indirectly, in support of any lobbying

activity. A subrecipient receiving or requesting an award exceeding \$100,000 must certify compliance with this requirement.

Additionally, a person/agency that is debarred, suspended, declared ineligible or is voluntarily excluded is prohibited from receiving federal funds under this grant program. All subrecipients must certify the subgrantee organization, and any vendor or lower tiered subrecipient, is eligible to receive these funds.

In compliance with the Drug-Free Workplace Act of 1988, state agencies applying for federal grant funding under this program must certify compliance with establishing and maintaining a drug-free work environment.

Failure to submit the [“Lobbying, Debarment and Drug Free Workplace Certification”](#) to FDLE with the application may result in a withholding of funds condition on the subaward until the requirement is satisfied.

### **Contractual Services Subrecipient vs. Contractor Determination**

Subrecipients utilizing funds in the Contractual Services budget category must adhere to the subcontracting requirements below. All subrecipients should review the [“OJP Subaward vs. Procurement Toolkit”](#) for information regarding the two types of subcontracting.

1. Any applicant using grant funds in the Contractual Services budget category must complete and submit a [“Subrecipient vs. Contractor Determination Checklist”](#) for each contracted services item to FDLE with the application.
2. The application must contain detailed information regarding the type of subcontracting (subrecipient or contractor) and the method of procurement for the subcontract.
3. An applicant proposing to enter into a subrecipient contracting relationship must request approval to subaward in the grant application and be able to adhere to and document compliance with requirements and provisions for pass-through entities in [2 C.F.R. §200.331](#).
4. Applicants entering into a contractor relationship must adhere to the local unit of government’s written procurement policies and procedures to the extent they are consistent with or more stringent than the procurement standards outlined in [2 C.F.R. § 200.318-326](#).

## **State and Federal Transparency**

Subaward agreements and information supplied to FDLE for grant management and payment purposes will be used to report to the following mandatory state and federal transparency systems.

### **Florida Accountability and Contract Tracking System (FACTS)**

This grant agreement, all corresponding information and a copy of the grant document, is provided to FACTS to meet requirements under Chapter 2013-54 and 2013-154 Laws of Florida.

### **Exemption from FACTS**

The SIMON grant management system allows for partial or complete contract exemption from FACTS for those agreements containing information exempt from public records. Please be aware, in the event that your agency’s submission contains confidential and/or exempt information prohibited from public dissemination under Florida’s Public Records Law, Chapter 119, Florida Statutes, the subrecipient agency bears the responsibility for applying proper redactions. Otherwise, any and all records submitted may be released without redactions.

### **Federal Funding Accountability and Transparency Act (FFATA)**

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006, with the intent to empower every American with the ability to hold the government accountable for each spending decision. The end result is to reduce wasteful spending in the government. The FFATA

legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is [USASpending.gov](https://www.usaspending.gov). FDLE is required to report subaward data to FFATA as well.

## Length of Award and Distribution of Funds

### Length of the Award

CESF awards may be approved for a project period of up to 24 months, beginning no earlier than January 20, 2020 and ending no later than January 31, 2022.

### Distribution of Funds

Grant funds are distributed on a cost reimbursement basis, with the ability to advance, for satisfactory performance of eligible activities. Payment requests can be submitted on a monthly or quarterly basis and should include total expenditures for the reporting period. Reimbursements will be processed in conjunction with the receipt and review of programmatic performance reports to determine successful completion of minimum performance deliverables as specified in the agreement.

## Application Deadline

An [application questionnaire](#), [budget detail worksheet](#), and any additional required documents should be submitted to [criminaljustice@fdle.state.fl.us](mailto:criminaljustice@fdle.state.fl.us) by **July 1, 2020**.

Please see **Appendix A: Application Timeline** for other important dates.

## How to Apply

**Failure to follow application instructions may result in the incursion of a special condition at the time of award.**

A completed subgrant application questionnaire and budget detail worksheet must be submitted to [criminaljustice@fdle.state.fl.us](mailto:criminaljustice@fdle.state.fl.us). OCJG grant managers will use the information provided to prepare an application in the FDLE Subgrant Information Management Online (SIMON) grant system. The applicant will be notified when a draft of the application is ready to be reviewed and submitted in SIMON.

Please note: Once an application is approved, the SIMON system will be used for subgrant management activities including required monthly/quarterly financial and performance reporting.

## Standard Conditions

The standard conditions provide detailed compliance requirements for subrecipients upon signed acceptance of the subaward. It is imperative all persons involved with this subaward read the standard conditions. Failure to comply with the provisions outlined in the standard conditions may result in project costs being disallowed.
