INSTRUCTIONS

The following pages outline the performance achievements for recipients of a single award of \$25,000 or more under the **JAG Re-entry Program Area**. The data collected from this form is used by OCJG members to report performance data in BJA's Performance Management Tool (PMT) system, as required by the state's federal JAG award.

FAILURE TO SUBMIT THE APPROPRIATE PERFORMANCE QUESTIONNAIRE(S) BY YOUR AGENCY'S REPORTING DEADLINE WILL RESULT IN THE WITHHOLDING OF FUNDS ON YOUR AWARD.

Please contact the Office of Criminal Justice Grants at (850) 617-1250 for any questions pertaining to this report.

GENERAL AGENCY INFORMATION

This section collects information on the state of your award and your organization in general. It should be completed by all recipients for EACH reporting period the award is active.

1. How many employees did your office have on staff as of the last day of the reporting period? Please count both full- and part-time employees. JAG-funded employees are those who receive any portion of their salary/pay from JAG funds, regardless of the amount.

Total Number of Staff

Total Number of JAG-Funded Staff

2. Please complete the following with the percentage of your program's funding that comes from each funding source. Estimate the percentages, rounded to the nearest whole number, based on your program's budget for the fiscal year.

Calculation: To calculate the amount for "This JAG award," take the amount of this JAG award's funding going toward the program, and divide it by the total amount of funding for the program. For example, if your program has a budget of \$50,000 for the year and \$15,000 of that comes from this JAG award, "This JAG award" equals 15,000/50,000, or 30 percent.

To calculate the amount for "All other sources," divide the remaining funds by the total budget. In the above example, this would be 35,000/50,000, or 70 percent.
