Death In Custody Reporting (DCRA)

Death in Custody Reporting

Beginning October 2019, SAA's will be required to collect and report details regarding the death of any person who is:

Detained by law Enforcement

- Under arrest
 - In the process of being arrested
- En route to incarceration or detention
- Incarcerated at any correctional facility

Death in Custody Reporting

SAAs will be required to report the following details for each death in custody incident:

Name, Date of Birth, Age

Gender, Race, Ethnicity

Date, Location, and Time of Death

Agency Involved

✓ Manner of Death

Death in Custody Reporting

OCJG is currently evaluating existing data sources to determine the most efficient way to collect required death in custody data.

JAG Program Law Enforcement Training Metrics

LE Training Metrics

Law enforcement agencies receiving JAG program funds must report specific officer training data related to:

- ✓ Use of Force
- De-escalation of Conflict
- ✓ Racial/Ethnic Bias
- ✓ Gender Bias
- ✓ LGBT Bias
- Community Engagement

LE Training Metrics

The data to be tracked and reported includes:

- ✓ Delivery Method
- ✓ Frequency
- Documentation Maintained
- Course Length (hours)
- ✓ Number of Officers Trained

LE Training Metrics

Subrecipients must submit the "JAG LEA Training Metrics" form to their assigned Grant Manager <u>QUARTERLY</u>.

In accordance with 2 CFR 200.331, OCJG must...

Evaluate risk of noncompliance

-AND-

Monitor subrecipient compliance

... with the terms and conditions of the federal award.

For FY2018 awards, OCJG is requiring the submission of the...

Subrecipient Management Capabilities and Compliance Questionnaire (SMQ)

... To evaluate an applicant's internal controls for managing the subaward.

The SMQ evaluates existing policies, procedures and practices related to:

✓ Single Audits

Accounting Systems

Existing Internal Controls

✓ Civil Rights

The SMQ evaluates existing policies, procedures and practices related to:

✓ Procurement

✓ Inventory

Tiered subrecipient management

High Risk Status

Answering "No" on the SMQ <u>WILL NOT</u> disqualify an agency from receiving a grant.

Answering "No" will prompt OCJG to step in for training or other recommendations to ensure the subrecipient is set up for success <u>BEFORE</u> beginning the project.

New Application Process

New Application Process

Applicants historically were required to obtain signatures from chief officials and mail two copies of the application to OCJG.

OCJG would review the application and work with the applicant on revisions.

Since changes were made <u>AFTER</u> chief official signature, a second signature was required post-award.

New Application Process

OCJG revised the application process for FY2018 solicitations.

Still submit electronically in SIMON

<u>DO NOT</u> mail signature pages or hard copy applications

OCJG will notify applicants when to obtain signature pages to avoid obtaining signatures twice!

Electronic Submissions of Grant Documents

Electronic Submissions

OCJG is now accepting signed copies of forms and applications via email.

Save postage and time!

Please ensure all documents are submitted as high quality scans!
