* In 2013 the FBI's UCR program implemented a new definition of Rape that includes incidents previously reported as Forcible Sodomy. Beginning with 2013 data, Florida, in compliance with that definition, modified the collection of Forcible Rape data to include forcible rape, attempted rape, and forcible sodomy. Percent changes from 2012 to 2013 are based on calculations that includes Forcible Sodomy with Total Rape.

Note: This report incorporates updates and corrections received through April 2019.
