Course Description

The 48th Annual Florida Association of Medical Examiners Educational Conference is designed to provide up-to-date information regarding the latest topics in forensic medicine and death investigation.

This activity is targeted to Medical Examiners (Forensic Pathologists), Death Investigators, Law Enforcement Personnel, Attorneys, and Forensic Medicine Students. Only persons currently employed or retired may attend.

Learning Objectives

Upon completion of this activity, participants will be able to:

- Accurately certify the cause and manner of death.
- Perform the medicolegal death investigation process in accordance with the standards of practice.
- Expand knowledge base to include ancillary procedures.

CME Credit

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Florida College of Medicine and the Florida Association of Medical Examiners. The University of Florida College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Credit: The University of Florida College of Medicine designates this live activity for a maximum of 14.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CEU Credits will be provided to ABMDI Certificants.

Notice: Law Enforcement agencies may use this course to satisfy Florida Department of Law Enforcement's Criminal Justice Standards and Training mandatory retraining hours. Retain the certificate from this course (or a copy) for your agency for their records for mandatory training hours for each four-year cycle.

Accommodations

Please notify Dr. Bruce Goldberger a minimum of ten working days prior to the conference so that adequate consideration may be given to your request. Special dietary restrictions should also be submitted in advance.

Faculty Disclosure

University of Florida College of Medicine adheres to the ACCME Standards regarding commercial support of continuing medical education. It is policy that the faculty and planning committee disclose real or apparent conflicts of interest relating to the topics of this education activity, that relevant conflicts of interest are resolved, and that speakers will disclose any unlabeled/unapproved use of drug(s) or device(s) during their presentation. Detailed disclosure will be made in the course syllabus.
