

Mosquito Bite Protection in Florida

Content courtesy of Department of Health material.

Use Environmental Protection Agency (EPA)-Registered Insect Repellents

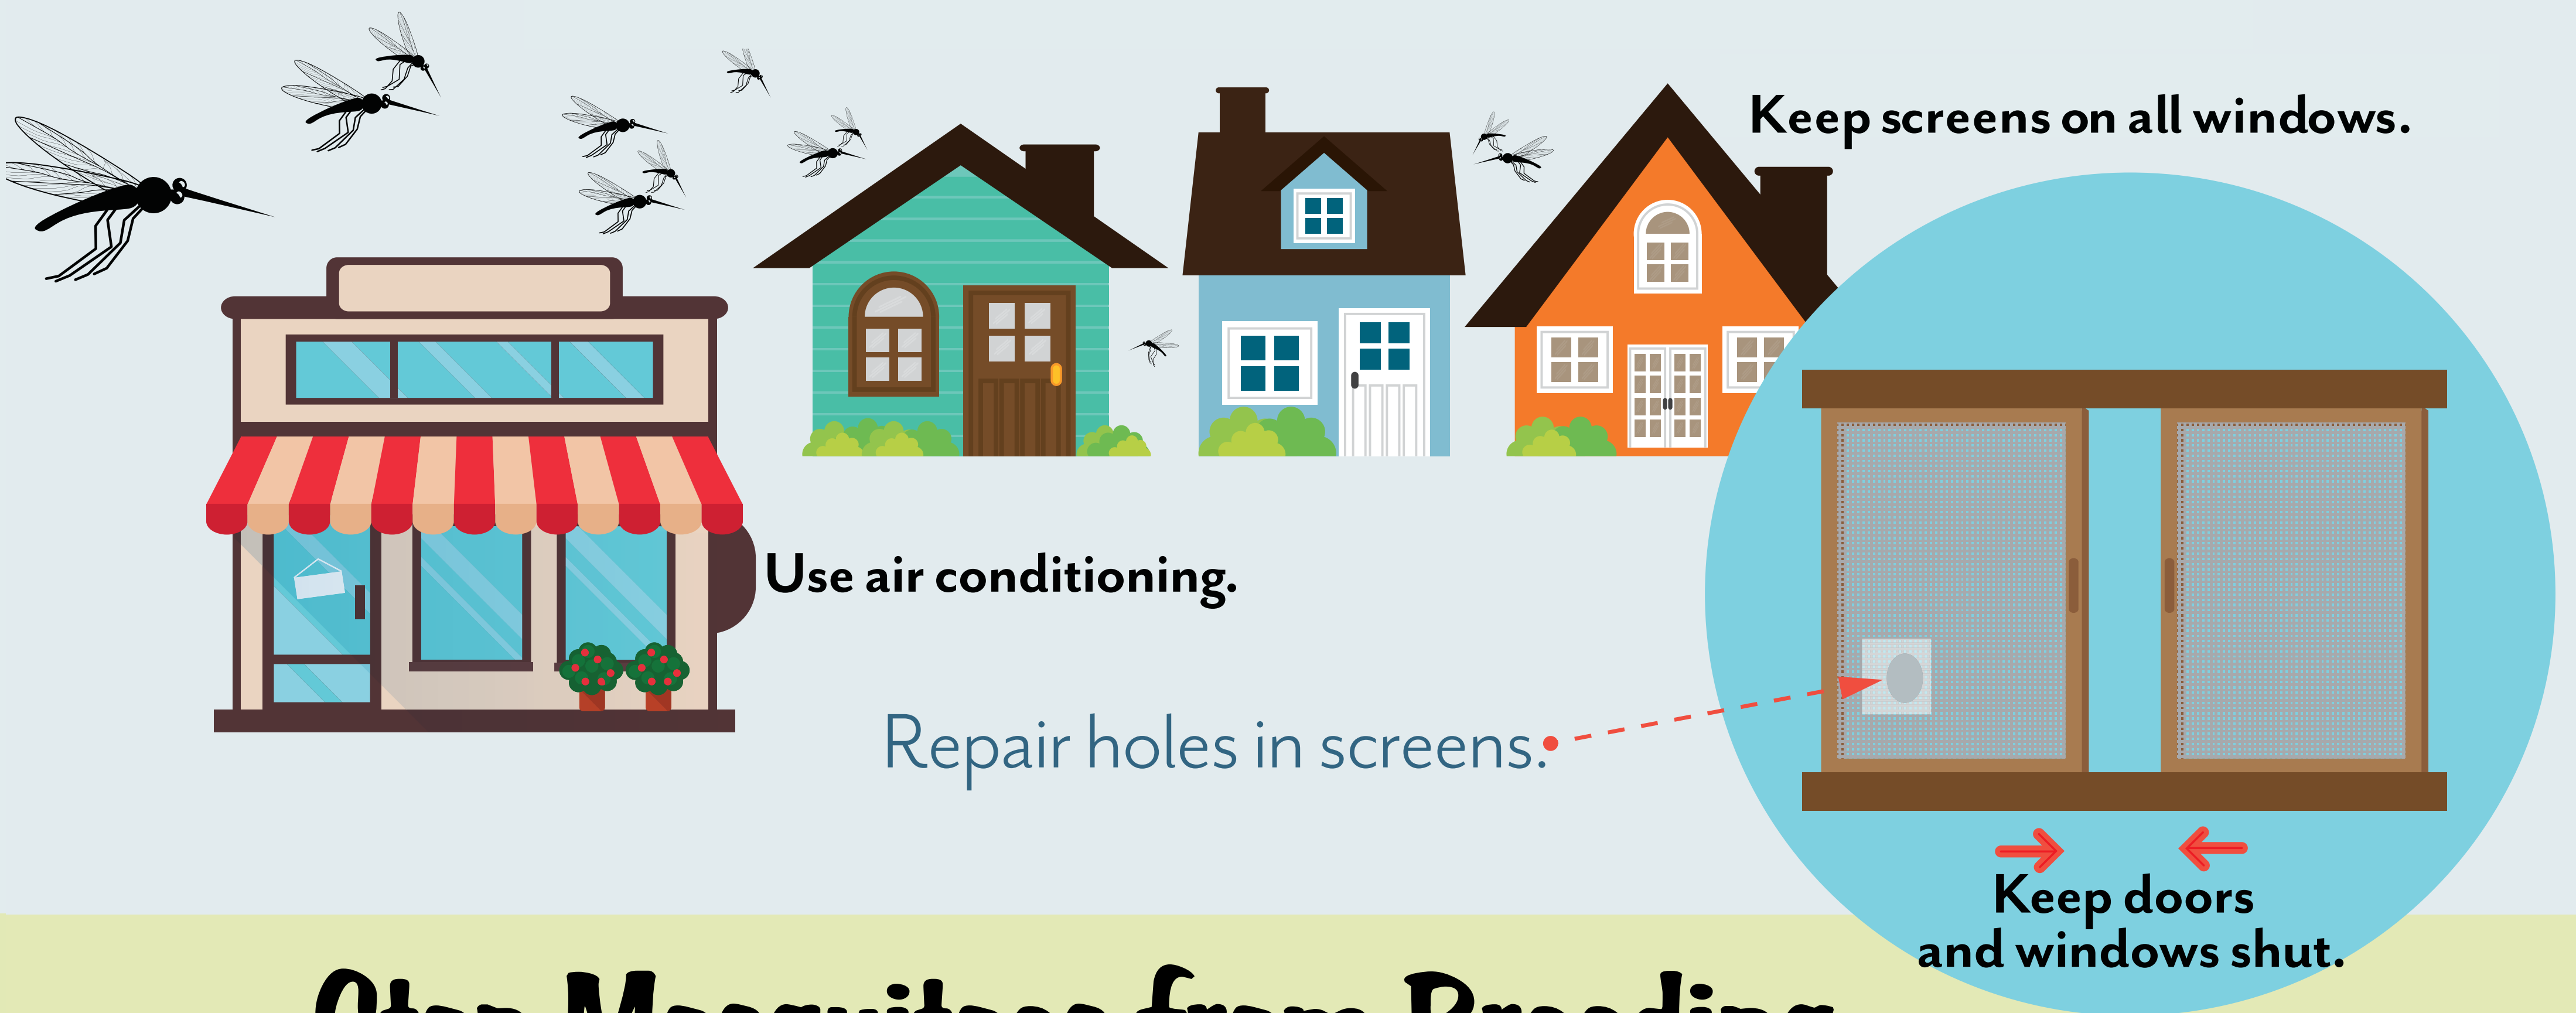

- If you use sunscreen, put sunscreen on first and insect repellent second.
- It is safe for pregnant or nursing women to use EPA-approved repellents if applied according to package label instructions.

Cover Up with Clothing

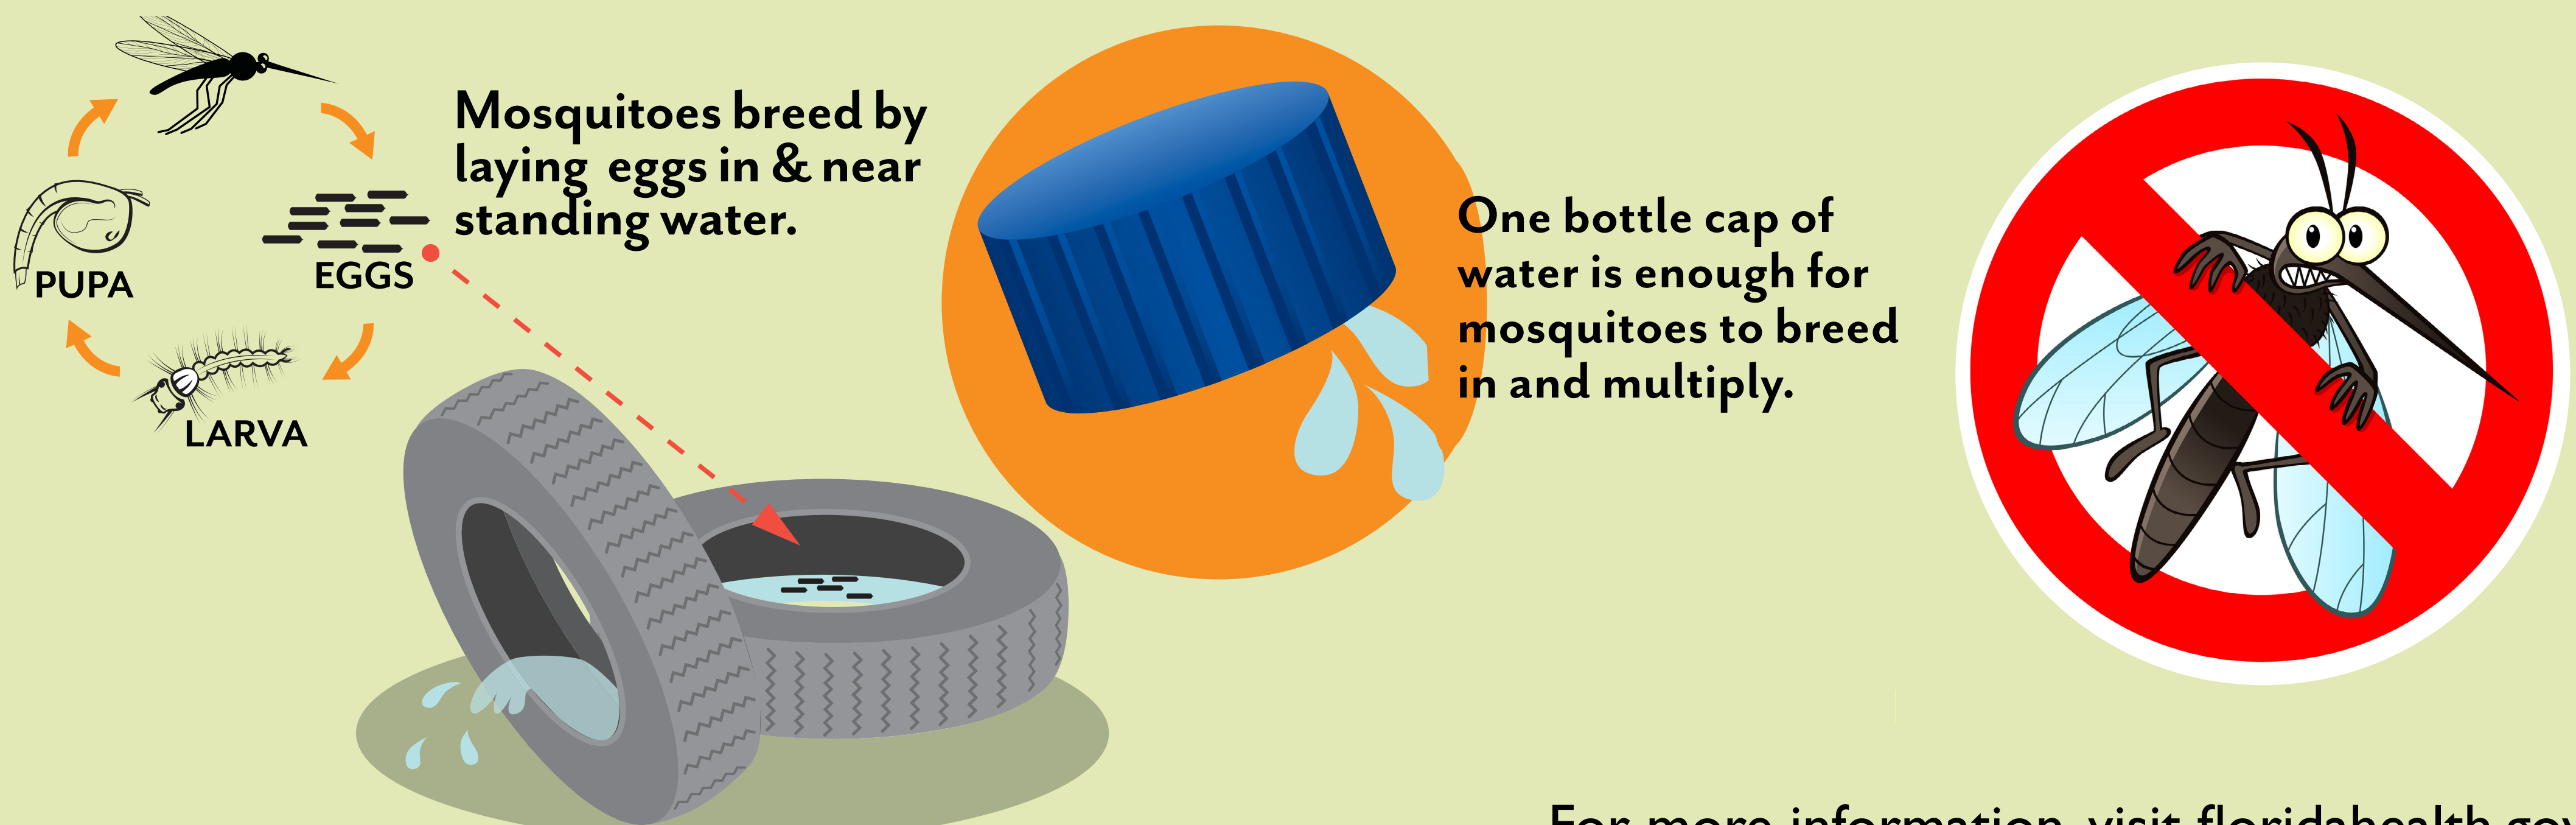

- Wear long-sleeved shirts and long pants.
- Use permethrin-treated clothing and gear.
- Do not use permethrin products directly on skin.

Keep Mosquitoes Outside

Stop Mosquitoes from Breeding
