

# Silver Alert

MONTHLY REPORT

## March 2022

The Florida Silver Alert Plan is a tool which aids local law enforcement in the recovery of a missing senior who suffers from an irreversible deterioration of intellectual faculties. The Plan provides for activation of a State Silver Alert when a person meeting the criteria goes missing while driving a motor vehicle. Local agencies are encouraged to issue Local Silver Alerts for persons meeting the criteria when a vehicle is not involved. The following is a monthly report detailing State Silver Alerts issued by the FDLE Missing Endangered Persons Information Clearinghouse.

	Date	Age/Sex	Agency	Info (last known location)	Recovered

Total for March: 24

Total for the year of 2022: 67

Total since 2008 inception of Florida Silver Alert Plan: 2,849

\* Direct Recovery - Total to date = 281

\*\* Indirect Recovery - Total to date = 71

### Recoveries:

A **direct recovery** is defined as a person recovered due to the activation of the State Silver Alert, primarily through the use of dynamic highway message signs or other actions initiated by state agencies. An **indirect recovery** is defined as a person recovered through the actions of the local agency in coordination with the Silver Alert Plan, primarily through law enforcement communications or media.
