Shayla,

I typed a few of the lot numbers incorrectly when I was doing the inspections today. I wrote the correct numbers on the reports after I had uploaded. Those are included in this attachment.

Sorry for the errors.

Janice, here are my inspections for November, it's easier to e-mail than to send hard copies. If you would prefer, I will send a hard copy if needed.

Shayla,

No issues with this instrument, just in for Dept. Inspection. I needed to start getting them done since I now have 10 units. I will be sending the next unit in about 3-4 weeks, unless you have other plans.

Thx, Deputy Glenn Cline
