Subject: February inspection

Hey David, CPL. Patton here with Charlotte County. We had missed our inspection last month due to me being off on leave and then being out sick. I meant to get with you earlier in the month but I was still trying to get over my illness and then unfortunately I forgot until just now. I ended up going back to work on March 1st and getting it done that day. I was just wondering what is going to happen due to us not getting it done last month. Just let me know. Thanks.
