Please forward that information on an amended Form 40. A remark must be left on the inspection when a test is repeated.

Thank you,

Hey David, CPL. Patton here with Charlotte County. We had missed our inspection last month due to me being off on leave and then being out sick. I meant to get with you earlier in the month but I was still trying to get over my illness and then unfortunately I forgot until just now. I ended up going back to work on March 1st and getting it done that day. I was just wondering what is going to happen due to us not getting it done last month. Just let me know. Thanks.
