Dr. Murphy,

Please find the attached memo and Breath Alcohol Test Affidavit from Deputy Lohachareonvanich. During a breath test she conducted on January 8, 2017, she incorrectly selected the subject's sex as "F" instead of "M". She made the appropriate corrections to the sworn affidavit prior to submission with the case file.

Respectively Submitted,

Lt. Wayne Enterkin

Lt. Enterkin,

When conducting a breath test using the Breath Intoxilyzer Instrument, I mistakenly entered (F) on the gender section when my suspect (Mason Shane Schartzer) is in fact a male. Could you please notify FDLE of my mistake? Thank you!

Deputy Lohachareonvanich 1264 / 208 District 2
