Brett,

Please deregister instrument #80-001441 per Kennedy Space Centers request.

Thanks,

Shayla

Subject: Intoxilyzer

Morning Shayla,

I would like to request intoxilyzer 80-001441 be deregistered. A final agency inspection was conducted on 03/19/2017 with no further tests occurring after this date. I am requesting intoxilyzer 80-001441 now be used for strictly training purposes only.

Very Respectfully,

Karen Joyner
