Inspector Murphy,

Please find enclosed this months' Form 40 for the monthly Agency Inspection of Intoxilyzer 8000 series instrument #80-000887, which is located and in-service at the Chattahoochee Police Department. All results were within acceptable range.

\*\* due to Hurricane Michael, and the following power shortages, a monthly inspection was not conducted for the month of October. There were no breath tests given during this time-frame.

Chief FC O'Brian, Agency Inspector

Chattahoochee Police Department
