**Subject:** Monthly Intoxilizer Agency Inspection for September 2018

Danielle,

For September 2018 I was unable to complete the Monthly Agency Inspection on our instrument as I was out ill the day I was extending on doing the inspection prior to the end of the month.

I did complete the October 2018 inspection on 10/2/2018 placing our instrument back in service.

Thank you

Lt. Vieno
