Sgt. Dancel,

I assume when you say missed maintenance you are referring to a missed agency inspection. If that is the case, please perform your agency inspection as soon as possible.

Thank you for informing me of the issue.

PLEASE NOTE : Florida has a very broad public records law. Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and the media upon request. Subject: March Maintenance

Good morning,

For the month of March you will see a missed maintenance. I had the intention of completing it this weekend, but for some reason I thought I had an additional day to complete it. However, the 31st came and went. My apologies. Please let me know if there is anything else I need to do. Thank you.

Good afternoon Danielle and Happy 2019!

I have dropped off our intox to be shipped off for our annual inspection. As per our previous email, if the internal battery can be looked at as well, that would be great. I know since your promotion you have no really been in charge of intox and appreciate all of your help and guidance. Let me know if there is anything else I need to do. Thanks again!
