Remarks: On 02-19-2020 I signed into the instruments (80-001139 & 80-006924) multiple times in an attempt to upload the agency inspections. I tried different analog lines in our building to see if we were having an issue with our lines. I also tried a different instrument (80-006924) to ensure there was no issue with the instrument. Ultimately ITD was contacted and they responded to check our lines. The lines in our office were working properly as a result I contacted our department inspector, Michael Haugthy. Mr. Haugthy advised he would send an email to Tallahassee and request they reset the server. An attempt was made 02-20-2020 on instrument 80-001139 and the agency inspection was successfully uploaded. The remaining instruments were uploaded to FDLE on 02-21-2020.

The above instrument complies () does not comply () with Chapter 11D-8, FAC.

I certify that I hold a valid Florida Department of Law Enforcement Agency Inspector Permit and that I performed this inspection in accordance with the provisions of Chapter 11D-8, FAC.
