Richard,

I would like to de-register this instrument please.

Thanks

Lt.Collins,

We spoke last year in October during your visit about you wishing to de-register your instrument that is mentioned above. I am following up with you about this as we need it in writing that you wish to deregister the instrument. If you still wish to de-register this instrument please reply to this email stating so for our records and we will get this done.

Thank you,

*Richard Williams*
