Good Afternoon Taylor,

I hope this email finds you well. I have just received word from our command staff that they will not be fixing the Intoxilyzers. The 9000 will be coming out soon and they will be sending me to train on those in March with CMI. In the interim, we will be sending our DUIs to test over at BSO's BAT unit. How can we coordinate? Is it easier for us to pick up or for us to pay for FED EX pick up? Please let me know.

Thank you in advance,

Maytee Aguilera, Highway Safety Specialist
