Thank you for your interest in the Florida Department of Law Enforcement's Volunteer and Employee Criminal History System (VECHS) program!

The Florida Department of Law Enforcement's (FDLE) Volunteer and Employee Criminal History System (VECHS) program is authorized under the National Child Protection Act (NCPA) (1993), as amended, and Florida Statute 943.0542.

FDLE's VECHS program is intended for entities providing services specifically focused on one or more of the vulnerable populations. Qualified entities meeting the criteria set forth by the NCPA and the Federal Bureau of Investigation (FBI) are able to screen approved employees and/or volunteers providing services as described in the application's summary of services. If you are unsure as to whether your entity qualifies for the VECHS program, please refer to the FDLE's [VECHS Eligibility Guide](#).

Please use the VECHS Application for Qualified Entities to provide the FDLE with the necessary information to determine whether your entity falls within the guidelines and parameters set forth by the NCPA, as amended, the FBI, and Florida Statute 943.0542. Once the FDLE VECHS Team has made a determination on your eligibility, you will be contacted with further instruction on how the entity's user agreement between the FDLE and the qualified entity will be executed.

Qualified entities have the option to participate in FDLE's Applicant Fingerprint Retention and Notification Program (AFRNP). Retaining fingerprints in the AFRNP allows your entity the ability to receive state and national arrest hit notifications for employees and volunteers. Please indicate on the application if you would like to participate in the AFRNP.

The cost for the first year of fingerprint retention is included in the initial criminal history record check fee. After the first year of retention, your entity will be invoiced an annual \$6.00 retention fee for each set of employee and/or volunteer fingerprints you choose to continue retaining.

Note: Public school districts, charter schools, specialty schools, and private schools accepting School Choice scholarship funding regulated by Department of Education (DOE) are required by Florida Statute 435.12 to participate and retain applicant fingerprints in the Agency for Health Care Administration's (AHCA) Care Provider Background Screening Clearinghouse. Any private schools accepting state scholarship funding must submit a VECHS Qualified Entity Application to the FDLE as authorized under NCPA and 435.12, F.S.

Please submit as a typed form.
