TECHNICAL MEMO 2010-04**

**TO:** Criminal Justice Training Center Directors

**FROM:** Program Director Michael D. Crews  
Criminal Justice Professionalism Program

**SUBJECT:** CMS Vehicle Operations Instructor Course Number 800 (Specialized Instructor Course)

---

The Criminal Justice Standards and Training Commission approved a new version of the CMS Vehicle Operations Instructor Course number 800 at its May meeting. The effective date of the course is May 20, 2010, and can be accessed through the Automated Training Management System.

The course was revised to remove the requirement for instructor students to demonstrate proficiency of skills ("pre-qualify") before the beginning of the first lesson. Training Center Directors now have the option of testing instructor students at any point during the course.
