CRIMINAL JUSTICE STANDARDS AND TRAINING COMMISSION **TECHNICAL MEMORANDUM 2017-03**

DATE: February 23, 2017

TO: Criminal Justice Training Center Directors
Criminal Justice Agency Administrators

FROM: Director Dean Register *DR*
Criminal Justice Professionalism Division

SUBJECT: New Commission-approved Training Program:
Law Enforcement Auxiliary Officer Basic Recruit Training Program #3006

In 2015, Criminal Justice Standards and Training Commission staff conducted a job task analysis (JTA) of the law enforcement auxiliary officer's job. The staff worked with subject matter experts to develop a new curriculum based on the 2015 JTA.

The Law Enforcement Auxiliary Officer Basic Recruit Training Program #3006 was developed with the help of law enforcement auxiliary officers and instructors from around the state. Developed with the input of subject matter experts, the content is comprehensive and covers a wide range of duties that vary throughout the state. The curriculum source material is still firmly rooted in the law enforcement curriculum for fully sworn officers, but it is based on the statutory definition that auxiliary officers perform under the direct supervision of a fully sworn officer.
