SUBJECT: 2013 Instructor Packets for Basic Recruit Training Programs

In the past the Professionalism Program has provided Instructor Packets for the basic recruit training programs to each of the Commission-certified training schools. These packets contain current curricula, videos and other instructor materials. To be cost effective the Instructor Packets are not being produced for the version 2013.07 basic recruit training programs, effective July 1, 2013.

The Instructor Packets apply to the following training programs:

- Florida CMS Law Enforcement Basic Recruit Training Program, Volume 1
- Florida CMS Correctional Basic Recruit Training Program, Volume 1
- Florida Basic Recruit Training Program, Volume 2: High Liability
- All Cross-Over Basic Recruit Training Programs

Training schools may continue using the videos from the 2012.07 version. The version 2013.07 lesson plans, text book files and other instructional materials usually contained on the Instructor Packet are available from the FDLE website at:

Should you need additional copies of the Instructor Packets (version 2012.07) they are still available and may be ordered from Knowles Video Incorporated in Tallahassee. To place an order, contact Knowles at (850) 878-2298 or info@knowlesvideo.com.

For questions or concerns, please free to contact Training and Research Manager Linda Adams in the Bureau of Training at (850) 410-8351 or lindaadams@fdle.state.fl.us.
