CRIMINAL JUSTICE STANDARDS AND TRAINING COMMISSION TECHNICAL MEMORANDUM 2014-17

TO: Criminal Justice Training Center Directors
FROM: Director Dean Register *DR*
Criminal Justice Professionalism
SUBJECT: Curriculum Alert 2014-24 First Aid Proficiencies

On September 25, 2014, the Curriculum Section issued Curriculum Alert 2014-24 for the CMS First Aid for Criminal Justice Officers Course regarding revisions of several proficiency skills. The skills are related to bleeding control for soft tissue and extremity injuries. The revisions require a change to Form CJSTC-5 CMS First Aid Performance Evaluation.

The proposed 2014-2015 Rule Packet, including revisions to Form CJSTC-5, have been approved by the Commission, and are expected to be final in late May or June 2015. Because of the delay in the final adoption of Form CJSTC-5, the changes referenced in Curriculum Alert 2014-24 cannot be carried out until the new form becomes effective. Therefore, the changes issued in the curriculum alert will be postponed until July 1, 2015.

In addition to changes to the CMS First Aid for Criminal Justice Officers Course, the CMS First Aid Instructor Course will also be updated to become effective on July 1, 2015.

If you have any questions or concerns, please contact Bureau Chief Dwight Floyd at [dwightfloyd@fdle.state.fl.us](mailto:dwrightfloyd@fdle.state.fl.us) or (850) 410-8675.
