Thank you so much Michele,

To facilitate conversation during the meeting, there are some additional documents that Mr. Petito and I have prepared that would be beneficial for all committee members to receive in advance. Prior to sending directly out to committee members, I wanted to reach out to FDLE to get guidance, recognizing that FDLE is the entity responsible for the committee's work. We aim to support the effort and FDLE as much as possible and not create confusion amongst the committee.

Would FDLE like additional packet materials to be disseminated to committee members from your office? If so, I would be happy to shoot them your way for dissemination.

Alternatively, I would be happy to send additional packet materials directly out to committee members on behalf of the chair and remove that action item from FDLE staff - whichever Deputy Director Bujeda prefers.

Let me know, and I will proceed accordingly.

Many thanks,

Amanda

Morning,

I hope this message finds you well.

This is a friendly reminder that our next meeting for the Lethality Assessment Executive Workgroup is scheduled for Wednesday, August 21, 2024, at 2:00 PM. The meeting will be held online, and you should have already received a calendar invite with the link. If you need the link again, please reply to me directly.

For your reference, I have attached the minutes from our previous meeting as well as the agenda for the upcoming one. Please review these documents before the discussion.

If you have any questions or need further information, feel free to reach out.

Looking forward to our meeting!

Best regards,

*Michele Snow*
