CRIMINAL JUSTICE STANDARDS AND TRAINING COMMISSION **TECHNICAL MEMORANDUM 2022-13**

Date: November 18, 2022

TO: Criminal Justice Training Center Directors

FROM: Director Dean Register *DR*
Criminal Justice Professionalism Division

SUBJECT: Advanced Course #1420 Crisis Response and Management replaces retired
Advanced Course #053 Crisis Intervention

Subject matter experts with the Florida Crisis Intervention Team (CIT) Coalition, including members of the Training Center Director's Association and the Advanced and Specialized Training Program Committee, unanimously proposed to change the title of the Criminal Justice Standards and Training Commission (CJSTC)-approved Advanced Course #053 Crisis Intervention to eliminate confusion between it and the Memphis Model's CIT training.

Commission staff held a series of meetings with committee members and CIT Coalition SMEs to discuss the title change. Committee members and SMEs state that some criminal justice officers still confuse the advanced course with the Memphis Model due to their similar titles, even though the course does not meet CIT training criteria.

Therefore, effective November 3, 2022, the Criminal Justice Standards and Training Commission retired Advanced Course #053 Crisis Intervention and approved the same course content under a new course number and title, Advanced Course #1420 Crisis Response and Management with no additional updates to the body of the course.

Important Information regarding Salary Incentive and Mandatory Retraining Credit

Criminal justice officers who already completed Advanced Course #053 Crisis Intervention will be ineligible to receive additional salary incentive or credit toward their 40-hour mandatory retraining for completing Advanced Course #1420 Crisis Response and Management, as these two courses are the same.

ATMS will have measures in place to prevent officers from receiving additional hourly credit or salary incentive for completing both courses.
