- If the licensing or employing agency has established a system to receive the electronic results, the applicant will be given instructions (*from the agency*) as to where to go and how to have the fingerprints taken and submitted from a livescan device.
- If an applicant wishes to submit fingerprints electronically but the agency did not give instructions, please contact that agency and request that the agency contact FDLE and make arrangements to receive electronic results. Individual applicants cannot be accommodated without the agency involvement.

- Listed below are those vendors who have been qualified to submit electronically to FDLE.
- Livescan vendors not listed here may request approval of their product or service by contacting FDLE at (850) 410-8161.
